THE 75th ANNIVERSARY OF THE UNIVERSITY OF TEXAS

Foreword

GOLDEN notes floating out over the breeze, coming to greet you in a filled classroom, or during that coffee break at Home Drug, or perhaps rousing you from late morning slumber . . .

Ornate iron hands counting off the minutes, hours, days, weeks, months, years of your stay at the University . . .

Orange and white lights shining with your reflected pride at Longhorn victories, or with your sad or regretful remembrance of commemorative events . . .

A tall, slender, weather-stained, time-scarred Tower, throwing its majestic shadow over your life on the Forty Acres—giving strength, inspiration, hope, comfort to you during your stay on campus . . .

THE YEAR 1957-58 has passed in a calm, yet significant, way. It was in this year that The University of Texas celebrated its seventy-fifth year as an institution of higher learning. Conferences and convocations have provided study and decision concerning its future—a future which will include not only academic progress, but also more serious interest in extracurricular activity.

This year has seen a tradition pass away—when the Round-Up Parade was abolished, and a new one become firmly entrenched—the Charros Annual Rodeo.

It has seen an underdog Longhorn eleven come from a predicted cellar position to rate second in the Conference, and receive a Sugar Bowl bid.

It has seen its host of professors and staff members don colorful robes to walk with students and laymen in an academic procession up the steps of the Main Building for the convocation of the 75th Year.

It has seen hasty ten o'clock trips to Dirty's for some before-curfew refreshment.

It has seen playful students picnicking at Bull Creek while anxiously awaiting the opening of Barton Springs (which never quite made it—due to Mother Nature's floods.)

It has seen you, the students, working day and night for fraternities and sororities, professional and social societies, religious activities, student government committees, student publications, and studies.

It has seen mid-term come, and finals go—it has seen students come, and students go.

These, and many other events, have been captured in the 1958 CACTUS. While the ink is still drying, reality has become a memory; and through the years as you leaf through your book, may the memories—whether fond or sad—bring to mind your life on the Forty Acres.

Seventy-Five

Years of Progress . . .

BACK IN 1838 an idea was born. In 1883 bricks and mortar were added to that idea, and "Old Main" was erected on a forty-acre plot to house the 221 students, eight professors, and four assistants that were first part of The University of Texas.

Those were the days of the horse and buggy. Dapper Dons arrived in colorful vests, button-down spats, and handle-bar mustaches to inspect the young ladies of the day, dressed in ankle-length gowns complete with broad-brimmed hats and fluffy parasols.

Although Round-Up presentation of a sweetheart was unheard of at this time, outstanding beauties were featured in the CACTUS as early as 1907.

In 1908, the University celebrated its first 25 years of service to the State of Texas. This was a time of looking to a future of growth and increased prestige, not only of the school, but of the State and Nation.

This was the time, too, of the motor car. Somewhere up North, a fellow named Henry Ford had assembled a few pieces of metal around an internal combustion engine, and revolutionized the country.

It was not at all unusual to see Texas coeds in a Model T humping down the street at the side of a gay young hunk, who was doing his best to keep down the smoke and keep up the speed.

Horseless carriages revolutionized many pastimes. The favorite recreation of strolling with a guy or gal around the Perip, a stone walk completely encircling the original Forty Acres, was replaced with motor trips to Dillingham's Pasture or Hamilton's Pool.

As social life changed, likewise so did sports. Thirty-two years after the first football team took the field for the Longhorns, Memorial Stadium was built to house athletic clashes. More of an enclosed pasture in 1925 than a football field, the stadium has been improved until today, its steel and stone structure is one of the finest in the Southwest, and one of the best lighted in the nation.

Golden years followed, seeing the University expand in every direction: facilities, research, area, and instruction.

Then, in 1933—the heart of the Depression—the University celebrated its Golden Anniversary. Fifty long years had passed since that day in September of 1883, when the University first opened its doors for business.

During these years, the school weathered a battle to have the site changed to a tract of land near the present Tom Miller Dam on Lake Austin; witnessed the construction of Littlefield Fountain and many buildings; and noted the institution of traditions which were to reach long standing, naming of a mascot, choosing of school colors, adopting of the school song, standardizing the senior ring, and many others.

Three years later, the State of Texas observed its Centennial. From 1836 to 1936 the State had grown from a western wilderness to a state ranking high in oil production, agricultural produce, and skilled know-how. State growth was also being reflected in the University.

Dark clouds of a second World War hovered over the nation during the first part of the Forties. Most of the manpower usually flowing to the University was redirected into battle channels.

The raising of the American flag on Iwo Jima came to be a symbol to a nation and a state tired of fighting. Many former UT students were among the list of World War II heroes.

With the war at an end, prosperity proved to be just around the proverbial corner. New technological advances and more research on the bombs that brought an end to fighting in the Pacific, ushered in a new age—an Atomic Age.

More and more students, high-school graduates and veterans under the G. I. Bill, began to flood the universities and colleges of the nation.

And in 1958 the new Sweetheart of The University of Texas found that she ruled a kingdom of some 17,500 students.

Nineteen-hundred-fifty-eight is a symbolic year. It is the 75th Year of The University of Texas—its diamond jubilee.

But, 1958 is more than just a year of looking back and viewing with pride; it is a year of critical evaluation and serious thought. It is a time of summarizing the past in terms of how it can contribute to the future.

The Tower, symbol of all phases of The University, will peal out "The Eyes of Texas" during the next 25 years over a pattern of life greatly affected by the men and women, students and faculty, and researchers and educators, who have contributed their efforts during this 75th Year toward making The University of Texas truly a "University of the first class."

The Committee

SEVENTY-FIVE YEARS have rolled over The University of Texas since its inception in 1883, but not without leaving their mark.

During those years, the dusts of time, and the halting wheels of progress have blended to carve out the 1958 face of the University—a face of granite, stone, and steel; of green lawns and leafy trees; of people: students, faculty, administrators, and laymen; of humor and pathos; of change, symbolically represented by the flower bed on the West Mall that is replanted with new life twice yearly; of new ideas replacing the old that haven't stood the test of time; of scientific and technological advances; of literary and artistic accomplishments—a face of character.

But the extent to which these years have carved cannot be measured alone in new buildings and green lawns—the intangibles, the abstracts, the ideas must be evaluated in still another way. These must be evaluated in terms of their effect over the next 25 years.

To carry out this evaluation in accordance with the 75th Year Observance at the University, several committees and conferences have been appointed: General Co-ordinators, Faculty-Staff Steering Committee, Committee of 75, Conference on Expectations for the Main University, Conference on Texas, Conference on Issues Facing the State University, and student workshop groups.

Administrative responsibility for the Observance is in the hands of Dr. L. D. Haskew, Vice-President for Developmental Services of the University. Co-ordination of activities is provided under the direction of William D. Blunk, executive director, and Roy Cates, assistant executive director.

To these men fell the job of co-ordinating all aspects of the vast 75th Year Program. Although public funds are not available for the 75th Year Observance, expenses incurred are paid by an appropriation from a University trust fund, and from contributions of individuals, corporations, and foundations.

 Seated: William D. Blunk, Executive Director of the 75th Observance.

President Wilson delivers his address on the approaching horizons for the University.

(Continued from Page 8)

To assist in policy-making and planning, a Faculty-Staff Steering Committee was appointed. Under their direction, numerous faculty, staff, student, and lay action committees were formed and are operating.

Realizing that personal involvement is the key to the development of widespread proprietary interest in the University on the part of the citizens of Texas, the Board of Regents in early 1957 appointed a citizens' committee—The Committee of 75.

This Committee is composed of 75 leading Texas citizens representing all state senatorial districts and comprising a virtual cross-section of Texas interests—business, industrial, professional, and geographic. Their job is to chart the future course for the next 25 years, through investigation, deliberation, and advice. Heading the Committee is Chairman Rex G. Baker of Houston, and General James E. Taylor, vice-chairman, of Austin.

An Executive Committee was set up to serve as the managerial group for the Committee's operation. The Committee's undertakings were then divided into six major areas: the *mission* of The University of Texas System, the *quality of operation* to be sought, the *scope and size* of the University System, *developmental policies, implementation* for the goals ultimately decided upon, and agreement upon and production of the final report.

To work in these areas, four Task Forces were constructed, each with a different area to investigate and evaluate. The final report itself is to be an all-Committee project.

Conclusions reached by this Committee will affect the entire University System—which in 1956 became the fourth largest in the nation. These conclusions will affect a University with an endowment now exceeding that of any other college or university, and a physical plant worth more than 67½ million dollars.

A committee with its sights on a more narrow, but nevertheless, important area is the Conference on Expectations, made up of 118 lay, 50 faculty, and 23 students. Their job is to examine closely the Main University in Austin.

Members of the Conference were appointed to work groups to investigate six major areas of concern: faculty and staff, conditions under which faculty and staff serve, students, per-

A flow sheet of the studies taking place during the 75th year.

Dr. Harry Hunt Ransom, Main University Vice-President and Provost, awards Carroll Ann Hodges the symbolic 75,000th degree.

sonal services to students, facilities, and psychological climate in which the University operates. Report of this Committee goes to both the University administration and the Committee of 75.

The Conference on Texas, held in April, met to assess the human, material, and cultural resources of the State at the present time, and to project future developments in these areas. This tied together the role of The University of Texas in the future of the State.

Another study conference—Conference on Issues Facing the State University—to be held in November—will bring some 60 education leaders from all interests, backgrounds, and points of view, to discuss the educational issues of our time.

One other phase of this 75th Year Observance—the student viewpoint—was handled through student 75th Year Workshops on a wide range of subjects: physical plant, Greek system, independent students, faculty and staff needs; school spirit; and many more.

Reports from these groups were made in early March, to the Conference on Expectations. During the coming year, elaborate plans have been laid to continue work on the needs uncovered in these reports, by a 75th Year Implementation Committee.

This isn't all the 75th Year Story, however. As with any observance or celebration, there are some of the trimmings and trappings.

There is the 75th Year signet to be used on letterheads, envelopes, brochures, and postage-meter advertisements on millions of letters. The four U. S. Post Offices in Austin are using a canceling mark with the wording, "University of Texas, 75th Year, 1883-1958."

There are exhibits, both on- and off-campus, with the possibility of a State Fair exhibit.

There are in-person speaking appearances of faculty, staff, students, ex-students, and Committee of 75 members.

There is a specially designed 75th Year Flag, which was raised amid bursts of cannon fire from Old Smokey at the 75th Year Convocation and Academic Procession which officially opened the 75th Year on January 10, 1958.

And there is the awareness of the importance of the 75th Year that has been created in the minds of the men and women of the State.

This, then, is The University of Texas Story, 75th Year, 1958.

But, it is not the last chapter of that story by any means. Many hundreds and thousands of hours will be consumed in putting the words and ideas of hundreds of people on tons of paper before the moving hand writes finis to this story.

Faculty members march in the procession of the January Convocation for the 75th Year Observance.

A luncheon is enjoyed in the Union Building Ballroom following the Convocation ceremonies.

Dr. Malcolm Macdonald holds the mace made especially for the 75th Year of The University of Texas.

The University of Texas

APPROACHING HORIZONS

(Excerpts from a speech made by Judge Ruel C. Walker at the Convocation of the 75th Year of The University of Texas)

DURING the coming months the eyes of Texans everywhere will be focused on this, their State University. For the design of the future is being drafted, to the end that twenty-five years hence this institution will have assumed its intended place among the world's great centers of learning. There is good reason to believe that this high goal will be achieved.

The ties of memory and devotion span both time and distance. Today the farflung family and friends of The University join hands with us across the years and around the world as we honor a beloved institution for its lasting contributions to the welfare and progress of mankind. They share with us pride in the accomplishments of the past and hopes and dreams of the future.

The history of The University cannot be viewed apart from the history of Texas, for the threads of one are woven into the fabric of the other. Through this fabric run two threads or trends that have had an important bearing on the development of the institution and the State. The first of these is the enormous growth in population which Texas has experienced from the days of the Republic to the present time. And with each passing year an ever-increasing proportion of the population has been attending institutions of higher learning. Paralleling this growth in population has been a steadily expanding economy accompanied by a shift from an agricultural to an industrial base. During most of the years the history of The University has been characterized by a constant struggle to meet the educational needs of this growing population and changing and expanding economy.

In the beginning, friends of public higher education must have felt there might never be a state university in Texas. The first bill to incorporate The University of Texas was introduced shortly after the Declaration of Independence. It got through one reading. In 1838 President Mirabeau B. Lamar submitted to the Congress of the infant Republic his memorable message from which the motto of The University was later selected. "Cultivated mind is the guardian genius of democracy, and while guided and controlled by virtue, the noblest attribute of man. It is the only dictator that freemen acknowledge, and the only security which freemen desire." Congress responded by setting aside lots in the new capital city for the site of a university and appropriated some 220,000 acres of public land for the endowment of two institutions of high learning. But more than forty eventful years were to pass before The University of Texas became a reality.

AFTER the State was admitted to the Union, a statute was enacted which specifically provided for the establishment of a university, but before it could be carried into effect the nation was torn by a bitter and destructive civil war. Finally in 1876 our present Constitution was adopted. It directed the Legislature as soon as practicable to establish and provide for the support of a university of the first class to be located by a vote of the people and styled "The University of Texas." It also set aside an additional million acres of public land for the endowment and support of the new institution, directed that no general revenue funds should ever be used for the erection of its buildings, and made the Agricultural and Mechanical College, which had already been established, a branch of The University. Five more years passed before effective action was taken to carry out these constitutional provisions. In 1881 under the leadership of Governor Oran M. Roberts, the necessary legislation was at last adopted. At elections held the same year, the people voted to locate the Main University at Austin, which was selected over Waco and Tyler. Galveston was chosen as the site of the Medical Branch, with Houston second in the poll.

Shortly after the election results were announced, the first Board of Regents convened and set about the task of creating a university. Dr. Ashbel G. Smith of Harris County was elected President of the Board, and A. P. Woolridge of Austin was chosen as its secretary. Two years later, on September 15, 1883,

Galveston Medical Branch of The University of Texas

as will move onward...

THE UNIVERSITY'S FIRST FACULTY

The University of Texas was formally opened with a faculty of eight professors and four assistants, an enrollment of some two hundred students, and a physical plant consisting of forty acres of land and the unfinished west wing of the old Main Building. Until this structure was ready for occupancy the following January, classes were held in the temporary Capitol at the corner of Congress and Eleventh Streets.

The growth of The University during the early years was steady but it could hardly be called spectacular. The Medical Branch was activated at Galveston in 1891. The center section and east wing of the Main Building were also completed; some four or five other structures were added to the main campus; the office of President was created by the Board of Regents; and the enrollment passed the one thousand mark. At the end of the first twenty-five years, however, the institution was still a small college, easily accommodated in a few buildings.

THE second quarter-century of its history was an era of decisions and events that would make it possible for this small college to develop into the fine institution we have today. With the establishment of the graduate school in 1910, it began to assume the status of a real university. Colleges and professional schools play their own vital roles, but the real justification of the right to be called a university is the presence of great scholars and teachers who devote themselves primarily to research and graduate instruction.

A second significant step was taken when the institution we now know as Texas Western College was established by the Legislature and placed under the control of the Board of Regents. The pattern of a university system with branches located at appropriate points all over the State was thus confirmed.

Another important measure was the decision of the administration and Board of Regents to develop a comprehensive plan for the future growth of the Main University. The early structures built on the campus had been designed and located without reference to such a plan. Outstanding architects were now called in as consultants, and a number of fine buildings, designed for both permanence and beauty, were erected.

One of the factors that had retarded the school's early growth was the constitutional provision prohibiting the use of general revenue funds for buildings. Before the University opened in 1883 its landed endowment had grown to more than two million acres, but the land was so poor that the annual income rarely exceeded five or ten cents an acre. When the cornerstone of the Main Building was laid in 1882, the principal address, delivered by Dr. Ashbel Smith, was singularly prophetic in outlook. "Smite the rocks with the rod of knowledge," he said, "and fountains of unstinted wealth will gush forth."

EARLY in 1923 a drilling rig was unloaded from the railroad on University land in Reagan County. The discovery of oil at this wildcat location was so improbable that the well was named Santa Rita after the Saint of the Impossible. But at six o'clock on Monday morning, May 28, 1923, the Santa Rita well blew in, and The University of Texas has never been the same since.

The discovery of oil on University land brought added responsibility and numerous problems to the administration and the regents. For one thing, a wayward relative living over in the Brazos bottoms was suddenly reminded of family ties long forgotten. Little notice had previously been given to the constitutional provision making A&M a branch of the University, but this section of our fundamental law now became important to both institutions. After a series of conferences, the two governing boards worked out an amicable agreement under the terms of which the Available Fund, other than the income from grazing leases, is divided one-third to A&M and two-thirds to the University, with the latter receiving all of the money from surface leases. The agreement has proven to be fair and satisfactory to both schools.

THE first essential to any great university is a faculty of the highest quality. When The University opened in 1883, the top salary of a professor was the same as that of the Governor, \$4,000 per annum. This was a high figure for those days, the equivalent of probably \$15,000 to \$20,000 today. With the long agricultural depression beginning in 1887 and the panic of 1893, maximum salaries were cut back to \$2,500 which was about one-third the amount paid by the University of Chicago. During most of the years that were to follow, Texas has not offered faculty salaries comparable to those paid by the leading universities of the land. But in spite of this handicap, succeeding administrations have met with remarkable success in their efforts to provide a qualified faculty to meet the needs of a steadily, and sometimes rapidly, growing student body. More recently the Legislature has provided increased financial support, and this has made it possible to employ more teachers and has also improved the institution's competitive position in securing and retaining the services of outstanding authorities in many fields of learning.

Another important requirement of any university is an adequate physical plant. Within the past twenty-five years more than thirty permanent buildings have been added to the main campus. Today more than \$58,000,000 worth of buildings have been either completed or authorized for construction, and The University System has become the fourth largest in the nation. It now comprises The Main University at Austin, the Medical Branch at Galveston, Texas Western College at El Paso, the Dental Branch and the M. D. Anderson Hospital and Tumor Institute, both in the Texas Medical Center at Houston, the Southwestern Medical School at Dallas, the Postgraduate School of Medicine with headquarters in Houston and divisions at seven other points in the State, and the Institute for Marine Science at Port Aransas.

This doesn't mean that our resources have been spent only on buildings. Through the years additional land for campus expansion has been acquired by gift and by purchase, and faculty knowledge and skills have been supplemented by great libraries, specially equipped laboratories and classrooms, and other facilities needed to perform the University's three-fold mission of teaching, research, and public service.

The recent building program has provided a number of additional dormitories for women and several for the accommodation of men at the Main University. The first dormitory for women on or near the campus was Grace Hall, erected by the Episcopal Church in 1897. This was followed by the Woman's Building and Kirby Hall, the latter being provided by the Methodist Church. Then came S.R.D., which was built by the Scottish Rite Masons, and Littlefield Memorial Dormitory, constructed by the University with funds bequeathed by the will of Major George W. Littlefield.

GRACE HALL

Shortly after the establishment of the University, Regent George W. Brackenridge announced to his associates that he would give \$10,000 to construct a dormitory for boys. The second building to be placed on the campus was erected with these funds. Officially designated as "Brackenridge Hall" but always known as "B Hall," it was reserved for upper-classmen. As the student body grew, the residents of the Hall began to develop an esprit de corps that has become one of the legends of the University. The building was converted into offices and lecture rooms; and after being used in this way for a quarter of a century, it was torn down in 1952.

We who have passed through these halls have had a rich experience that encompassed a great deal more than classroom instruction. Some of the brightest pages in our books of memories are filled with matters that a few might say added little or nothing to the greatness of an institution of higher learning: the sharp tongue or personal idiosyncrasies of a beloved professor; intercollegiate and intramural athletic contests; "The

OLD "B HALL"

its greater destiny.

Eyes of Texas" played and sung just before the kick-off; pep rallies, bonfires, and torch light parades; the shacks where many of us received our instruction; initiations and political campaigns; the rivalry of various segments of the student body; serenades and "Germans"; and picnics at Dillingham's. These are part of the student life of a great university, and we are grateful for the happy memories they bring us today.

It is always pleasant to dwell on matters of this character, but our time is growing short. The amount of money that has

Intramural game on well-lighted Whitaker Field.

been invested in The University during the past seventy-five years is a matter of record. Although the returns on this investment cannot be measured as accurately, it's safe to say that they far exceed the amount invested. For The University has played a highly important role in the development of our State's greatest asset—an educated citizenship. The lives of thousands of men and women have been enriched by their experiences in this University, and at the same time they have developed qualities of mind and character that are essential to responsible leadership and effective citizenship. With each passing year, knowledge and skills acquired in these halls and under the guidance of teachers trained here have increased the productivity of the State and thus have added enormously to its economic resources.

The programs of basic and applied research have been geared not only to the advancing front of knowledge among the major institutions of America, but also to the specific interests of Texas and the security and welfare of the entire nation. Significant contributions have already been made, will continue to be made, to our national security, to human development, physical health and mental welfare, to the improvement of teaching and research techniques, to the conservation of resources, to the processes of local and state government, to advances in production and management, and in other areas important to our economy.

In the performance of its third major function—public service—The University has provided correspondence courses for

those who could not come to the campus, conducted training courses for employees and executives, supplied library materials to people all over the State, assisted communities, schools, and other organizations in problems of planning and administration, and staged conferences and institutes for improving professional knowledge and practices. These and other services too numerous to mention have been rendered to people and institutions all over our State.

Texas is justifiably proud of The University's record and the recognition which it now enjoys. In all of the vast region south of Missouri, east of California and west of Virginia and North Carolina, it is the only public institution of higher learning that is a member of the Association of American Universities—a group of thirty-seven institutions of the highest academic standing in the United States and Canada. It is one of the fifteen state-supported institutions that are members of this organization.

Today as The University of Texas continues to go forward, it is undergirded by the spirit and courage of that great host of men and women—of the past and the present—who have provided this educational heritage that is ours. Their names are inscribed on the rolls of The University for the past seventy-five years—faculty, regents, administration, staff, and student body—on the official records of the branches and departments of our State Government, and on the roster of those public-spirited citizens who have contributed generously of their possessions, time, and abilities to the progress and growth of this institution.

Improvement of Research Techniques.

They have created for us a great center of learning, dedicated to the preservation, diffusion, and advancement of knowledge. If we build as wisely through the coming years, The University of Texas will move onward and outward to its greater destiny—and the dream of our forefathers will be realized. That the vision and the zeal of Texas and her people may be equal to this task is our prayer today.

- C. R. Smith, New York City
- Mrs. Ben F. Vaughan, Jr., Corpus Christi
- Dan C. Williams, Dallas
- Roger J. Williams, Austin
- Logan Wilson, Austin, *ex-officio*

The University of Texas Development Board, the fund raising agency for the University, includes in its membership five persons named by the Board of Regents, five appointed by the Executive Council of the Ex-Students' Association, and two elected by and from the general faculty. The President of the University is an ex-officio member.

The Board, directly responsible to the Board of Regents, seeks to promote and assist in financing a great variety of facilities which will not be provided otherwise. Among these are research projects, salary supplementation, buildings, scholarships, fellowships, library acquisitions, museum additions, and many others. This program of enrichment is directed not only toward the Main University but toward all the branches as well.

EX-STUDENTS' ASSOCIATION

JACK RUSSELL MAGUIRE
Executive Secretary

HERMAN JONES
President

The Ex-Students' Association is only two years younger than The University of Texas itself, having been organized in 1885. Today it is one of the largest independent alumni organizations in the U. S., and it is the vehicle through which more than 190,000 former students continue their interest in, and service to, the University.

The Association does more than keep records on alumni, although that is one of its primary functions. It also sponsors more than 150 Texas Exes Clubs throughout the world; publishes a monthly magazine, *The Alcalde*; provides a number of services to members, such as the priority for the purchase of football tickets; and performs a number of functions in behalf of The University.

Through the years, The Ex-Students' Association has created more than a quarter of million dollars in endowed funds which annually provide scholarships for many students. It also maintains sizable student loan funds.

The Association is not part of The University and its program in behalf of the institution is supported through the annual dues of its members. Its affairs are governed by a thirty-three Executive Council elected from throughout the state. A thirteen member paid staff is maintained at the headquarters in The Texas Union.

Seated: Iva Snodgrass, Donna Turner.

Left to Right: Louise F. J. Baethe, Barbara Wilson, Loraine Jackson, Donna Pringle, Mary Jo Burkhead, Eloise Carlisle, Charles Seita, Oscar Griffin.

DADS' ASSOCIATION

The University of Texas Dads' Association is composed of all fathers and male guardians of students, present or past, of The University of Texas. Special provision, however, is made for participating or dues paying members with the number of this classification exceeding 3,400 during the year 1957-58.

The Dads' Association sponsors Dads' Day each year during the fall. It was observed on November 9, 1957. All mothers and fathers of University students were honored at coffees, one for the dads in the Union and one for the mothers in the Rare Books Room of the Library. Hundreds of parents visited the campus during the weekend. In addition to Dads' Day, the Dads' Association publishes The U. T. Dads' Digest, maintains the Dads' Association Scholarship Fund, and makes several student awards. This year Shirley Bird won the best-all-around girl award and Bud Mims won the best-all-around boy award.

PANHELLENIC COUNCIL

The Panhellenic Council is the policy-making body of the eighteen sororities on The University of Texas campus. Each group has two active delegates and an alumnae representative, making a co-ordinating body of fifty-four sorority women.

Through the year, Panhellenic has given full support to many campus activities such as Round-Up, Varsity Carnival, and the 75th Year observance. Panhellenic Council awards twelve scholarships each year to either sorority or non-sorority women worthy of this honor. Interfraternity Council and Panhellenic Council co-sponsor the annual Greek Sing-Song. Another co-sponsored activity was the donation made to the Religion In Life fund for guest speakers. Jointly, the two councils contributed funds to The University FM radio station.

THE LONGHORNS

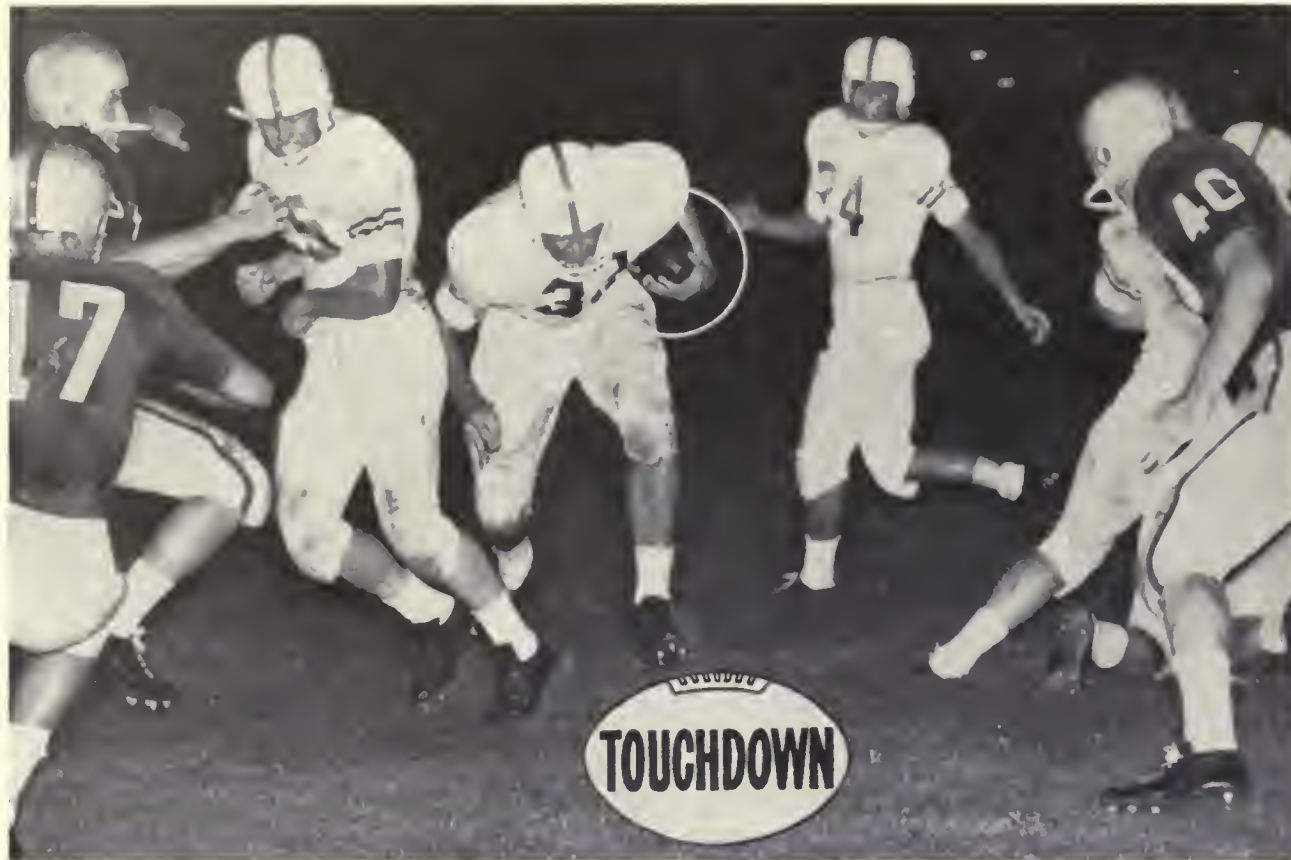

Captains Louis Raoul Del Homme and Walter William Fondren, III

The 1956 season ended with a 1-9 record for Texas but under the direction of a new head coach, Darrell Royal, the sophomore filled team managed a 6-4-1 record topped off with a Sugar Bowl invitation to end a very fine 1957 campaign. Texas ranked second in the Southwest Conference just behind Rice and just ahead of Texas A & M. The "rags-to-riches" team may be explained by the intense desire of the boys to improve on the miserable 1956 record and the new improved tactics of Coach Royal and his staff. The Longhorns, led by such old professionals as Captains Walter Fondren and Louis Del Homme, gained hard-earned victories over the nationally-ranked Rice Owls and Texas A. & M. However, the over-all inexperience of the team was illustrated in the Sugar Bowl against Mississippi where many mistakes were made. The young Texans were not able to achieve full fighting pitch for the game after the comparatively long lay-off following the Aggie contest Thanksgiving Day. The team seemed to suffer a bad case of stage fright and the final gun saw the score stand at 7-39. However, each and every man on the squad and the entire coaching staff of the University should be congratulated on a job well done for 1957.

Max Alvis blocks out a Georgia Bulldog for Mike Dowdle who took the ball on a hand-off from Walt Fondren (in the background).

TEXAS 26

On September 21 the Texas Longhorns, trying to recoup their football good fortune of former years, got the 1957 season off in winning fashion with a 26-7 victory over the Georgia Bulldogs in Atlanta, Georgia. So impressive was the Steer win that the A.P. poll picked the Steers as the 13th best team in the nation at the end of the first week of play. Texas' unrelenting ground game amassed a net rushing total of 226 yards. Walt Fondren and Bobby Lackey handled the quarterbacking chores very effectively, while Mike Dowdle, who scored two touchdowns, Mickey Smith, Max Alvis, George Blanch and Clifford Grubbs, all supplied plenty of power. Texas was very stingy on defense allowing the Bulldogs only 128 yards net rushing for the evening.

Mike Dowdle took just one play from Tulane's two-yard line to score the Longhorns' second touchdown. Texas got the ball following a fumbled punt return by Ellzey.

TEXAS 20

TULANE 6

Returning home on the third Saturday in September the Longhorns made their '57 debut in Memorial Stadium a successful one by defeating the Greenwave from Tulane 20-6 after four hard-fought quarters of play. Halfway in the fourth quarter Texas and Tulane were locked in a 6-6 tie. The ball game had served back and forth for three quarters and saw some bad moments for the Steers. But finally sophomore back Rene Ramirez moved well behind good blocking and provided the go power in the two touchdown fourth period. Starting on the Greenie 47 Ramirez accounted for 37 yards. Ramirez accepted a 21-yard toss from Fondren, then burst over tackle for thirteen more and topped it all off by scoring the tie-breaking touchdown on a 3-yard pass from Fondren. Texas best offense was in its defense. A punt by Fondren to the Tulane 2-yard line was followed immediately by a booming tackle by Larry Stephens who caused the Tulane receiver to fumble the ball into the hands of Bob Harwerth and set up the Horns last tally. Texas linemen were tackling hard all night and this hustle is illustrated by the fact that Texas punted 14 times in two games for a grand total punt return average against them of only 4 yards.

TEXAS 21 — SOUTH CAROLINA 27

A 98-yard run back of the opening kickoff and a 20-point explosion in the fourth quarter proved too much for the Texas team to handle, as they suffered their first defeat at the hands of South Carolina, 27-21 here at Memorial Stadium in Austin. After the initial touchdown was scored by King Dixon of the Gamecocks on his kickoff scamper, Texas then seemed to ignite and scored one touchdown in each of the first three quarters up until the disastrous fourth quarter. Texas held South Carolina to two first downs and a 59-yard net total gain during the first half. But then came the blistering South Carolina dominated fourth period and their grinding ground game attack led by halfbacks King Dixon and Alex Hawkins which accounted for three big touchdowns against the deteriorating Texas defense.

TEXAS 7

OKLAHOMA 21

Texas moved to Dallas and the famous Cotton Bowl to engage the Oklahoma Sooners, the Number One team in the nation, where they fell by the very respectable score of 7-21. Smelling an upset the Longhorns played on equal terms with the Norman conquerors for 57 minutes of the grueling contest. Only 5 minutes after the start of the game, Texas scored in a Fondren to Monte Lee combination and for a considerable time thereafter, a Longhorn upset victory was a distinct possibility. The climax came when Texas trailed 7-14 late in the game and Jackie Sandefer intercepted a Texas pass for the Sooners and ran it back to the Texas 21-yard strip where the Sooners scored after three plays from that point to put the game on ice.

Don Wilson (62) and Robert E. Lee (53) race Sooner Sandefer for the goal line but it was Will Wyman (75) who finally made the tackle.

Arlis Parkhurst (55), Jerry Muennink (63), Jim Welch (15), Will Wyman (75), Richard Schulte (80), Larry Stephens (84), and J. B. Padgett (64) come to the aid of the unidentified Longhorn back who has been snowed under by Razorbacks.

TEXAS 17

ARKANSAS 0

Conference play opened for the Steers in Fayetteville, Arkansas, where the team engaged and decisively defeated the Arkansas Razorbacks, 17-0, thus upsetting the Nation's 10th ranked team. Arkansas could never fathom the Texas defense, the deepest penetration into Texas territory by the Razorbacks came in the third quarter and went to the Texas 13 where their drive fizzled. Offensive-wise it was George Blanch who set up the first Texas score by recovering a Razorback fumble. Fred Bednarski then kicked a 25-yard field goal to put Texas in front 3-0. Mike Dowdle had a fine day for the Longhorns as he intercepted a Porkie pass, and led the Steers in rushing.

Texas Scores!

TEXAS 19

RICE 14

Back in Memorial Stadium once again Texas upset the Rice Owls by the score of 19-14 to win their second straight Conference victory and give Texas a 2-0 Conference record. Leading 6-0 at half time, Texas took the second half kickoff and marched 69 yards for a second score. Texas led 12-0 at this point thanks to the efforts of the line behind whose blocking Mike Dowdle, Bobby Lackey and Rene Ramirez ran well. Two minutes later the Owls, led by All-America quarterback King Hill, roared back to score. Scarcely a minute later Texas was forced to punt from deep in Longhorn territory where Rice took over on the Texas 36 and only 2 plays later the Owls scored again to lead over Texas 12-14. But the thrills had just begun. The Owl kickoff was picked up by Ramirez on the Texas 20 and he expertly ran for 80 yards through the Rice team. Lackey's extra point was good and the determined Texas defense held the touchdown-minded Owls at that point.

TEXAS 12

S. M. U. 19

Once again in the Cotton Bowl against S. M. U., Texas saw its grip on the Conference title slacken as Don Meredith and the Mustang team unceremoniously knocked Texas from the Conference lead with a 12-19 victory. The Mustangs would give nothing to Texas and played good, hard defensive ball all day. S. M. U. turned on a surging third-quarter drive to score twice and move ahead of Texas 19-6. In setting up this second touchdown, Meredith ran for 20 yards to the Texas 19, tossed a quick pass to Lon Slaughter at the 11 and then passed once again to Wayne Slanhard in the end zone. To top it all off Meredith then made good his conversion try. The Steers moved the ball well during most of the game, but could not match S. M. U. for determination.

TEXAS 7

BAYLOR 7

The Baylor Bears received a 7-7 tie with Texas, here in Austin, by virtue of a fourth quarter score. The tie dashed cold water on Longhorn conference hopes, but did not kill them entirely. On the first set of downs, a Texas drive was stifled on the Baylor 23-yard line, at which point Farrel Fisher intercepted a Lackey pass and ran with the ball to the Texas 11 before being brought down by George Blanch. Baylor fumbled two plays later and Arlis Parkhurst recovered. Now frustration became the Longhorns. Twice in the first quarter Texas got within the Baylor 3-yard line, but could not score, losing the ball on a fumble the latter time. The stumbling Steers left the field at half time with the score 0-0. In the third quarter Walt Fondren faded and found George Blanch in the end zone. The extra point snap was fumbled, but Fondren picked it up and ran for the point. Finally in the fourth quarter Baylor got the ball on a Fondren punt and marched 78 yards in 13 plays to tie up the game.

Crawling up the back of Baylor defender Darrell Cooper to snare a 15-yard pass from the hands of Walter Fondren is Longhorn right end Bob Bryant.

Five TCU defenders chase George Blanch over the goal as Texas scores.

TEXAS 14

TCU 2

Undaunted by their poor showing against Baylor the previous Saturday, Texas' sophomore-dominated performers managed to help pave their way to the Sugar Bowl by upsetting T. C. U. here in Memorial Stadium 14-2. Texas' best game was in the defensive department because the Longhorns were out-gained 291 yards to 180 yards. The Steers began their scoring drive with just four minutes left in the third quarter. Texas held the Froggies on the Orange 44 and then George Blanch gained 34 yards on a handoff from Bobby Lackey. Three plays later Lackey had successfully engineered the team over for the score and a 7-0 bulge for Texas at this point. Seven minutes later Texas again fought T. C. U. to a standstill on the Steer 46 yard line and this time it was Walter Fondren who managed the squad down the field for the second Texas score, bringing the total to 14-0. Blanch, Don Allen and Rene Ramirez provided the steam to sustain the drive. It was Merlin who later blocked Lackey's attempted punt out from the Orange end zone that accounted for T. C. U.'s 2 points. Very late in the game the Froggies muffed a perfect chance to score on Lasater's heave to Nikkel who received the ball on the Steer 3 and then let it squirt out of his hands allowing Max Alvis to recover for Texas.

TEXAS 9

TEXAS A & M 7

Texas chained to the cellar last year, vaulted back to the brink of the Southwest Conference by defeating Texas A & M, 9-7, in College Station on Thanksgiving Day. Texas branded itself the Sugar Bowl bid as result of its grid-iron prowess. So thoroughly did Texas' defense contain the Aggies that it was not until 3½ minutes into the second half that A & M was able to cross the 50-yard line. Another 14 minutes went by before the Cadets moved inside the Texas 30 for the first and only time, due to the stout Texas defense plus the punting ability of Walt Fondren, which set up the Steers lone touchdown in the first quarter. The punt carried for 62 yards to the Aggie 33, and the Longhorns were touchdown bound with Bobby Lackey finally going over from one foot out. In the third quarter relief quarterback Charley Milstead was tackled by Mike Dowdle and fumbled on his own 40, where Bob Bryant recovered for Texas. The Steers gained two first downs, but found their drive stifled at the 22-yard line and elected to try a field goal. Fondren held and Lackey kicked. The 3 points turned out to be the game winning points. Halfback George Blanch was Texas top hand, while the Aggies All-America, John Crow, was the outstanding player on the field.

Don Allen (31) and George Blanch (41) stop an Aggie cold.

Ole Miss fullback Charlie Flowers (41), is swamped by H. G. Anderson (68), Will Wyman (75), Wes Wyman (70), Arlis Parkhurst (55), Bob Bryant (85), and Jim Shillingburg (66) near the Texas goal line.

TEXAS 7

MISSISSIPPI 39

Bowl bound at last the Longhorns ventured to New Orleans to add new luster to their football laurels but their efforts were subdued by the Mississippi Rebels, 39-7. The Longhorns played hard but if ever a team was completely frustrated it was Texas. When the Steers began to gain yardage, they were halted by a fumble . . . they lost four . . . or a pass interception . . . Ole Miss picked off four . . . or an injurious penalty. The key to the Rebel win was the fact that they could sweep Longhorn ends at will, Ray Brown was the unanimous choice as the game's outstanding player, driving the Ole Miss split-T, as if he had invented it. Texas lone touchdown came after the Rebels punted out to their own 33-yard strip and the Steers moved the distance in 7 plays and one penalty later with Don Allen accounting for 35 yards of the total distance. However, the effort was too late and too little and it was a long afternoon for the Longhorns.

1957 CROSS COUNTRY

The Texas Cross Country team was forced into second place in the Southwest Conference by the University of Arkansas, the defending champion. The Conference meet was held at Waco. The Razorbacks took the first six places and had 30 points to the Longhorns' 50. TCU, SMU, Texas A&M and Baylor finished in that order behind Arkansas and Texas. Defending individual champion Joe Villarreal was edged out by Ray Dyck of Arkansas 9:13-9:15.

The first meet of the season was held in College Station and saw the University of Houston take the first five places and gain enough points to outrun The University of Texas and Texas A&M. Humberto Adame was the closest man for the Steers as he grabbed place number six at the finish of the two-mile distance. Ace Steer carriers Joe Villarreal and Walter McNew did not make the trip to Aggie-land.

Meet number two for the Texas distance men held in Waco against Baylor, TCU, SMU, and Texas A&M resulted in a Longhorn win. Texas' national champion, Walter McNew, lead the Longhorns to an easy victory in the five-team meet. He had a winning time of 10:32 and was followed closely by teammate Humberto Adame with 10:34. Texas ended the afternoon by grabbing six of the top ten places. The Aggies finished second in the meet, Baylor third.

The following Friday Texas fell once again before the onrushing University of Houston cross country team. Texas placed second to the Cougars in the four-mile triangular meet held in Memorial Stadium. Howard Payne College placed third. The point totals ran 24-41-64. Walter McNew placed fourth for Texas, finishing just behind Houston's Reggie Darley.

Traveling to Norman, Oklahoma, and the triangular meet between Texas, Oklahoma, and Arkansas, Texas edged the Sooners 38-39 to take first place honors. In the three-mile event Joe Villarreal placed first with a good time of 15:20.6, followed by teammate McNew with 15:20.8. Adame, Ken Savage, and Keith Pitner also placed in the top fifteen. Arkansas was third with a total of 43 points.

At The University of Texas Third Annual Invitational Track Meet in Zilker Park the first week in November, first place was won once again by the University of Houston with 19 points. Texas was second with 47 points, Howard Payne finished third with 68 points followed by McNeese State of Louisiana with 111 points. Brooks Medical Center of San Antonio finished with 125 points. In varsity individual competition, the first Texas man to cross the finish line was Ken Savage with a time of 9:41. Winning time was 8:55, made by John Macy.

Bouncing back in winning style Texas took first place in the Howard Payne Invitational 4-mile run with 23 points, followed by Howard Payne with 38 and Oklahoma Baptist with 63 points. McNew placed first with a time of 19:11.

The final meet of the season was the big one for the Longhorns as they traveled to East Lansing, Michigan and the annual NCAA sponsored Cross Country classic. Max Truex, University of Southern Cal, shattered the old record of 19:36.7 for the four-mile course and finished 120 yards ahead of John Macy of Houston. Walter McNew, defending champion, finished eighth with 20:00.1. The Irish won team honors with a low of 121 points; 124 out of 130 starters crossed the finish line.

Head Basketball Coach

1958 BASKETBALL

The Longhorn Basketball team closed out the season in Arkansas by losing to the Porkers, 60-74. This loss for the Horns placed them seventh with a 5-9 Southwest Conference record. In non-conference play the picture was a little better with the Orange and White blasting Texas A&I, Trinity, McMurry, Tulane and Baylor in the SWC Tourney, for a record of five wins matched with four losses. However, when conference time came around it found the Steers suffering from the flu and a bad case of roaditis. Throughout the season outstanding performances were turned in by Jay Arnette, Barry Dowd, Kermit Decker, Ken Cleveland, and John Shaffer, backed by a good slate of reserve power.

In the SWC winners circle the SMU Mustangs and the Arkansas Razorbacks tied with 9-5 records.

NON-CONFERENCE SCHEDULE

Opening the 1957-58 cage season, Texas ran over an unusually weak Texas A&I team 62-45. With 11:15 minutes left in the first quarter, Texas took the lead and never gave it up. In the second half A&I made a determined effort at closing the gap and came within 7 points of doing so before Texas began finding the bucket once more and managed to pull away. The teams were close in rebounds, Texas getting the slight edge, 48-41.

Picking up speed the hustling Longhorn quint used determination and fast breaks to advantage and defeated Trinity University, 74-59. Coach Hughes praised the Steer defense but added that the offensive rebounding needed improvement. Texas hit 42 percent of their shots while limiting Trinity to 32.8 per cent. Bub Farrell was high scorer for Texas with 14 points and also the top rebounder with 12.

The Steers were rolling along in good fashion in their pre-season duels, this time smashing McMurry in Gregory gym, 73-41. The teams played evenly for the first nine minutes before the Steers finally managed to build a 11-10 lead to 34-19 by the halftime. McMurry went an eight minute stretch without hitting a single goal. As in the first two games the Steers controlled the backboards, grabbing 61 rebounds to the Indians' 38.

Making their last homestand of the pre-season play, the Texans managed to tame Tulane 75-64. The unbeaten Steers outran, outshot, and out-rebounded the men from New Orleans throughout most of the game. With 8:30 minutes left to play in the first half the score was tied 12-12. The first half was a see-saw battle until Barry Dowd and Kermit Decker collaborated to give Texas a 5 point lead a minute and a half before intermission. Brenton Hughes performed well in all departments of the game and again, Bub Farrell led the night's scorers with 19 baskets.

Moving to Columbia, Missouri, Texas was overcome 82-61 by the Missouri Tigers who were seeking vengeance for a previous defeat at the hands of Texas. Striking hard early, Missouri lost little time in taking command. Texas kept up the pace for the first seven minutes but after that the Tigers' Siebert and Glen Forristall collaborated to ease by the Longhorns and raise their advantage to 27 points near the 10-minute mark in the second half. Finally Texas came to life with Shaffer scoring 9 points within three minutes and Decker hitting a hot streak also. But Missouri had the answer. Although its overall height wasn't much better than Texas', the Tigers out-rebounded the Longhorns 48-34.

Travelling to Wichita, Kansas, the Texas cagers turned in a very aggressive performance before bowing to the University of Wichita, 82-66. The figures give a very inaccurate picture of this game as Texas was very much in the running until only five minutes remained. Hughes' men played their best ball game of the pre-season campaign and gave a pleasing performance against a taller and more seasoned foe. Victors in six of their seven starts this year, the Wichita Shockers were an inch taller per man. Still Texas out-rebounded the Shockers during the first half. Texas heroes were numerous but the most fantastic was Kermit Decker, who hit 22 points to grab individual scoring honors.

Texas next travelled to Houston during the Christmas holidays and the seventh annual Southwest Conference pre-season basketball tournament, where they were met and defeated in the opening game by Arkansas 67-83. The hustle was there but sufficient rebounds and good shots were lacking for the Steers. Texas' second performance of the tournament produced for them a 61-59 victory over Baylor and put Texas in the consolation finals along with S.M.U., in which both teams played top ball as Texas fell 75-83. Kermit Decker was the pointmaker in the tourney, scoring 26 points in the S.M.U. game.

Hughes gets set to shoot for two while a Tulane defender tries to block the shot.

Cleveland goes up for the shot against Texas A&I.

JAY H. ARNETTE

KERMIT J. DECKER

TEXAS 68

SMU 82

Slowing down after Baylor the Texas quintet traveled to Dallas where they were met and defeated 68-82 by a sharp SMU five. Texas lacked offensive hustle and trailed 23-38 by the end of the first half. A major factor in the SMU win was rebounding power. Texas obtained only two offensive rebounds during the entire first half. Texas tried to come to life the second half and made 40.8 per cent of their shots. Dazzling sophomore Jay Arnette led the Longhorn scorers with 22 points for the night. Despite the momentary fire of the Steers, SMU eased by to their third consecutive conference win. Texas now stood 1-3 in conference play.

TEXAS 55

ARKANSAS 57

Battling against almost impossible odds the Horns lost in their conference opener 57-55 at Gregory Gym to highly-rated Arkansas. Texas had to play without the services of its three tall men—John Shaffer, Robert Hover and Bub Farrell. Midway in the first half Arkansas had built up an 11 point lead and at half time Texas faced a ten point deficit. Cold the first half, Texas steamed back the second half with Brenton Hughes, Ken Cleveland and Bobby Puryear leading the attack. Texas pulled even with Arkansas with 11 minutes left to play in the game but the Steers could never take the lead despite tremendous pressure on the Porkies. With 20 seconds left to play Arkansas had widened their lead by six points, Texas drew 21 fouls during the game which cost them 17 points, but they were credited with out-rebounding the Porkies 44-37. Brenton Hughes led both teams in that department.

TEXAS 50

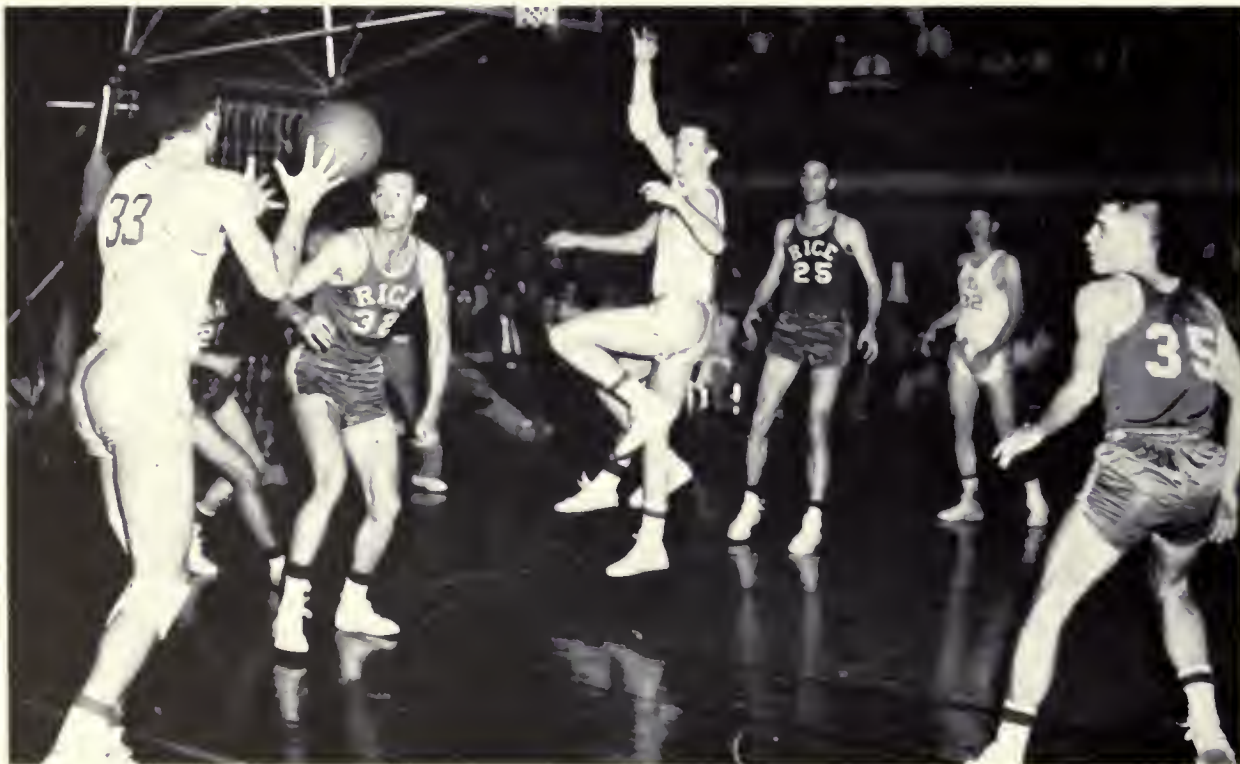

TEXAS A&M 71

The homestanding Aggies proved too tough for the Longhorns, defeating the Steers 71-50. Texas started the game hot, but the Aggies finally moved ahead to stay with nine minutes gone in the first quarter and by halftime the Aggies had increased their lead to 31-23. The second half was worse as the Longhorns' offense was paralyzed by the aggressive Aggies who never let Texas get closer than ten points. The Farmers made 40 per cent of their shots to Texas' 35 per cent and out-rebounded the Steers 50-32. Jay Arnette was the Texas high point man with 13.

TEXAS 82

BAYLOR 61

A fine team effort brought the University its first Southwest Conference victory, an 82-61 decision over Baylor. This game marked Texas' first use of the zone defense. John Shaffer proved to be the biggest Longhorn that night as he accounted for 11 points in the first seven minutes and ended his fine evening with a total of 16 points to share the high scoring honors with Ken Cleveland. After the first four minutes of play Baylor was behind 8-0, but after gradually adjusting to the zone defense, the Bruins ended the half trailing 31-35. Baylor started slowly in the second half, failing to score until the four minute mark and not counting its first field goal until 8 minutes were gone. By this time the Steers had a 17-point margin and were ahead to stay. Texas hit a very respectable 46.3 per cent of their shots for the game.

Everyone stands around and watches while Hughes takes aim for the hoop in the Rice game.

TEXAS 73

TCU 69

Coming home to Gregory Gym after the Baylor game, Texas played the role of spoiler and derailed the highly regarded TCU Hornfrogs 73-69. It was an upset worthy of rank in the same class as the tremendous upset last year of nationally ranked S.M.U., also played in Gregory Gym. Texas Christian never once led during the game, in fact they never even tied Texas. Twice in the first twenty minutes TCU was within two points of the Longhorns but at halftime Texas led 36-39. Ronny Stevenson had a chance to tie the game with 7:10 minutes left to go, but he missed both of his free throws and the battling Longhorns refused to be caught. Texas hit 44 per cent of their shots but more important they out-rebounded the much taller Froggies, 37-35. Brenton Hughes was good for 21 points and sophomore Jay Arnette was second best for the night with 18 points, both for Texas. Even the free throw department of Texas sparkled with 21 of 25 tries.

Texas' trying for a basket

TEXAS 68

RICE 102

Invading Houston Hughes' men met stiff opposition and fell to Rice by the lopsided score of 102-68. It was an all time high against the Longhorns, bettering the 83 points the Owls tallied on their home court two years ago. The 'horns started the scoring with a layup shot by Arnette and kept pace with Rice for the first five minutes but by half-time Rice had accounted for 61 points with 34 for Texas. Texas hit a respectably 46 per cent of their shots during the first half but Rice managed a phenomenal 63 per cent shot average the first half. Rebounding tells the story of the game as the Longhorns managed only 10 rebounds for the night. The Owl's biggest lead was 45 points when the score stood at 99-54. High point man for Texas was Jay Arnette who managed to rake the meshes for 21 points. This game left Texas with a conference record of two wins, four losses and put them out of contention for the championship.

TEXAS 74

TEXAS A&M 68

The Texas Longhorns played fine basketball to win a six point victory over the Texas Aggies, 74-68 at Gregory Gym. After leading most of the second half, the Orange and White suddenly found themselves trailing 61-62 with less than five minutes to play. Brenton Hughes then whipped one through the net and the 'horns led 63-62 with 3:27 minutes remaining. From there Texas went on to build up a six point lead and proved to be virtually out of reach of the Farmers. The victory brings the season record of the Steers to 9-9 and advances them to sixth place in the conference standings.

TEXAS 71

TEXAS TECH 59

Returning to Gregory Gym the Longhorns inaugurated their SWC competition with Texas Tech by downing them, 71-59. This time Texas showed good hustle as they ran, crawled and dived in a tremendous display of determination to nail down their fourth conference victory against three losses. Texas took the lead midway in the first half and built up what seemed a comfortable 15 point lead, but by the middle of the second half Tech had cut the Longhorn advantage to three points, 58-55. At this stage Texas had not scored for 6 minutes, but Cleveland hit the net and increased the lead. However, Texas' tight zone defense turned the trick. It made the Redmen more desperate by the minute and they showed it in their fouling and loose defense. Texas took advantage of the situation to move out of danger and win the game. Ken Cleveland and Kermit Decker led for Texas with 16 points each, followed by Brenton Hughes who had 15 points and John Shaffer with 12.

JOHN W. SHAFFER

KENNETH WAYNE CLEVELAND

Looks like the Hog has the court all by himself while the Longhorns look on.

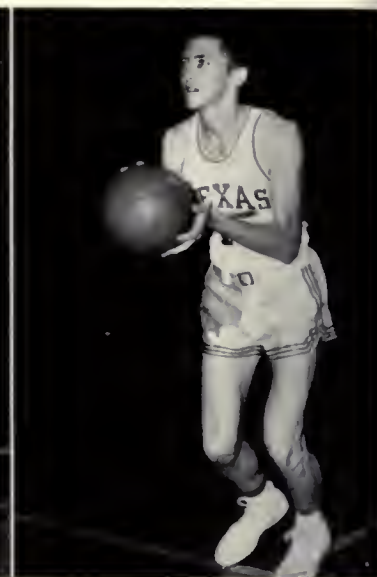

TEXAS 58

TCU 88

Taking to the road once again the Texas quintet played and lost to TCU in Fort Worth, 88-58. One reporter referred to the game as "The Comedy of Errors" and certainly it was for Texas who played an aggressive game but failed to make a fair percentage of their shots. Jay Arnette and center Johnny Shaffer opened the scoring for the evening but with 15:41 minutes gone in the first half, Texas trailed by four points. The Steers tried everything, but the accuracy of the Froggies proved too much. Coach Hughes shuffled his players trying to find the winning combination, but Longhorn efforts were hampered by the loss of Brenton Hughes who suffered a leg

BRENTON HUGHES

BOBBY CLAYTON PURYEAR

injury and Jay Arnette, who was put out late in the first quarter by an ankle injury. The only Texas player to score in double figures was Ed Russell who accounted for 11 points, as compared to 28 points for Ronny Stevenson and 23 points for H. E. Kirchner of the Hornfrogs. Except for its early spurt, Texas was never in the game and the Froggies led by 21 points at one time.

TEXAS 66

TCU 93

Still hot after their previous upset over Arkansas the Texas Tech Red Raiders eased into a tie for first place in the SWC by defeating Texas, 93-66, in Lubbock. It was a sweet victory for the West Texas crew, who almost had their title hopes dashed just ten nights ago in Austin by the Steers. The inspired Texas Tech team built up a 20 point lead by half-time, and Texas Steers never really threatened. Longhorns tried to get back into the game the second half, but they could only pull within 17 points of the Raiders, who proved to be very "standoffish." Only Kernit Decker had any measure of success at the basket as he led Texas scoring with 18 points.

Hughes, Shaffer and Decker gang up on a Baylor man to stop his attempt to tally.

TEXAS 64

BAYLOR 65

Fans in Waco witnessed a real thriller as Texas fell to Baylor in an overtime game, 65-64, and the game was uncertain until the last six seconds of overtime play. From the start the game was a see-saw situation and in a flurry of baskets Baylor held a 31-29 advantage at halftime. The Steers entered the overtime play without the services of Brenton Hughes who had fouled out just before regulation time ended. Texas matched Baylor point for point in the overtime play until they ran out of working time. The Bears had the edge in both field goal percentage and rebounds. Decker led the Steer scoring with 14 points.

TEXAS 73

SMU 89

The sharp-shooting SMU Mustangs romped over Texas in Gregory Gym by an 89-73 score and climbed into first place in the SWC standings. SMU needed this victory and they scrambled hard to get it. Wilbur Marsh fired a jump shot with 28 seconds gone in the first half giving the Ponies the lead which they never relinquished for the rest of the night. Brenton Hughes accounted for the Texans' first basket of the evening with 1:11 minutes gone. Then he added the free throw to bring the Steers to a 3-4 score. But this was as close as Texas could come to the efficient Mustangs. Still chopping away at the leaders the Longhorns pulled to 25-28, but Rick Herrscher, high score man of the contest, hooked in two baskets to allow the Mustangs to pull ahead once again. Longhorn eyes were bad that night as they connected with only 29 of 75 baskets for a 38.7 percentage. Decker, Shaffer, Cleveland were the high scorers for the Texans.

Arnette and Hughes anxiously watch a teammate's shot in the SMU game.

TEXAS 86

RICE 78

The final conference game of the season saw Texas literally shoot a good Rice team to pieces, 86-78. The Steers scored their most points of the season in their last home game, missing only 20 shots all night and dropping in 32 of 52 attempts for a 61.5 percentage. It will be remembered that this same Rice team had previously defeated Texas earlier in the season 68-102. Senior Ken Cleveland took the top scoring honors with 23 points while Kermit Decker, John Shaffer and Gary Meyer provided fine defensive work. Junior Brenton Hughes was continually out-jumping his taller Rice adversaries and pumped in 22 points. The determined orange and white cagers jumped to a four point lead with 11:42 minutes in the first half and after this Coach Suman's boys could not get within ten points of Texas. This victory brought the 'horns season record to 10-12 and raised their SWC mark to five wins and eight losses.

GARY HUGH MEYER

DAVID BARRY DOWD

TEXAS 60

ARKANSAS 74

Playing in Fayetteville, Arkansas, the Longhorns ended the 1957-58 season with a 74-60 loss to the Razorbacks. This game assured the Hogs of at least a tie in the SWC basketball race. Little Freddy Grim set a new all-time scoring record for an Arkansas player. His performance erased the mark of 233 points set in 1948 by one slim point, giving him a 234 point total for the season. The Steers started rolling early and John Shaffer hit his first five attempts from the court. Midway through the first half the Razorbacks found themselves trailing 16-13. At this point Grim and Tommy Rankin collaborated to give the Razorbacks a 29-21 lead with less than five minutes remaining in the half. Arkansas had control of the game during the second half and with 22:42 minutes left in the contest they led by 20 points, 68-48. Shaffer was high man for Texas with 15 points. This game lowered the Longhorns' SWC mark to five wins and nine losses, and they ended the season with a 10-12 record.

For the second consecutive year Texas placed third in the Conference swimming competition behind SMU and Texas A&M. Low men in the Conference were Rice who placed fourth and Texas Tech who placed fifth. Southern Methodist racked up a score of 188½ points and cracked six records in winning its second straight Southwest Conference swimming and diving championship.

Opening the season with the SWC relays, Texas trailed in the final tally with only 62 points, as compared with 116 points for SMU the winner, followed by A&M with 110 and in last place was Rice totaling only 54 points. Next the Longhorn tankers swept by Gustavus Adolphus with Tommy Smith, Jim Barden, Skippy Wallace, Ed Reese and Tracy Word all getting first places in their respective events. Still hot Texas tangled with the Cougars of the University of Houston next scoring a 52-32 victory, and winning first in eight of ten events. In Gregory Gym Texas' depth-shy varsity of seven men set new school records in the 400-yard medley relay and the 200-yard backstroke as they defeated Rice 51-34. Again the Longhorn swimmers seven iron men won eight of ten events to defeat Texas Tech 51-29, thus making it four straight victories for the team. Breaking stride the following week the varsity found its manpower shortage too great a handicap and bowed to Texas A&M, 62-29. Warming up for the SWC meet the Steer tankers were met and defeated 60-25 by SMU with Skippy Wallace getting the only Texas first for the afternoon in the breaststroke.

1958 TRACK

Having a habit of bringing back to the Forty Acres a SWC title trophy the Longhorns did not let Texas down in 1958. The season was a busy one for the Steers, running in ten meets in the regular season, and taking first team honors in eight of them. Again the usual records were smashed with outstanding individual performance laurels going to Olympic Veteran Eddie Southern, and relayman Hollis Gainey. In Dallas the Horns piled up 91 points to its nearest rival SMU's total of 47, placing in all but one of the sixteen events.

During the season the fans saw a new national 440 time go into the record books, placed there by Southern when he became the fastest collegiate quartermiler with a time of 46.1 in a meet with Rice and A&M. Toppling meet records where ever the Orange and White appeared they also added to the national 440 mark a 3:09.1 in the mile relay to rewrite the nation's record book in that event. Bruce Parker tossed the javelin to a new national record in the field events, helping to round out one of the University's most successful seasons on the einders.

NCAA MEET

Saturday June 14, 1958, saw the SWC track prestige take a slump in its past rising glory. The NCAA meet surprise was Glenn Davis' new world's record in the 440-yard dash with a 45.7, beating Texas' Eddie Southern in the process. Other Texas representatives seemed to find fourth place a jinx spot as they achieved no better. Bruce Parker took fourth in the javelin with his qualifying distance of 231-5½, Joe Villarreal failed to place in the two-mile run while other Steers were eliminated in the qualifying rounds. Texas' 12 point team total tied for tenth place with four other schools as Southern California captured the team title with 48¾ points.

Front Row: Frank Medina, Trainer, Joe C. Irvin, John Warner Duckett, Ralph Rosenberg, Marshall Wayland Thompson, Walter Hedrick McNew, Captain, Dan Keith Pitner, Jimmy Clyde Holt, Ronald Barry White, William Francis Greve, Jr., Paul A. Schumann, Patrick Daniel George, Assistant Trainer.
Second Row: Clyde Littlefield, Coach, Robert Bruce Parker, Jr., Alexander Palmros, II, Gordon John Ratcliff, Kenneth Hastings Savage, II, Andre Bouchard, Humberto Adame, Brooks Trezevant Patrick, Silas Edward Southern, Jr., Hollis Hobson Gainey, Don Eldon Casselberry, Joe Ernest Villarreal, T. BORDER OLYMPICS

The powerful Longhorn cindermen returned to Austin from Laredo with the team trophy, amassing 90½ points. Second was Southern Methodist with 51½; Houston with 42; and Texas Tech fourth with 22. Abilene Christian College, competing without the services of Bobby Morrow, came in seventh with 12 points. North Texas State ended in fifth with 21 and Texas A&M placed sixth with 14½. The individual high-point honors were taken by Hollis Gainey, Joe Villarreal and Eddie Southern in that order. The Texas squad took nine first places including meet records by Southern who recorded a 46.8 clocking in the 440-yard dash to shatter ACC's James Secrest mark of 47.8 set last year. Villarreal knocked three seconds off the mile run by doing 4:13.7 around the eight turns. Another great runner was Hollis Gainey who tied Charlie Parker's century mark of 9.4 in the preliminaries. Not to be outdone in the weight events Texas finished one-two in the shot put thanks to fine tosses of 51-1⅝ and 49-11⅞ by Paul Schumann and Johnny Warren. Bruce Parker took first in the javelin with a toss of 212-9¼.

SOUTHWESTERN RECREATION MEET

In the thirty-fifth annual Southwestern Recreation Track and Field Meet at the Southwest Exposition in Fort Worth it was the same old story as Eddie Southern and his University teammates rolled to victory over a star-studded field of collegians, with a total of 49 points. Southern was the "top-athlete-of-the-day" trophy winner. Texas captured five first places in the meet highlighted by Southern who was unofficially clocked at 45.8 seconds for his 440-yards, equalling the world record for that event but his mark will not go down in the record books as it was run in a relay event. The Texas mile relay team, after falling behind 15 yards on the opening day, finished in 3:13.5, 3.6 seconds under the old meet standard set by SMU in 1955. Alex Palmros, Paul Schumann and Johnny Warren teamed to give the Steers 16 points in the shot put and discus. Palmros won the discus, Schuman won the shot.

WEST TEXAS RELAYS

Texas, East Texas State and Abilene won the championships as nine records were established in Odessa in the rain-harried West Texas Relays and Texas swept up the University division with 81 points. Joe Villarreal of Texas set a new mile record of 4:18.0. Jack Smyth of Houston broad jumped 24 feet 4½ inches for another record. The Texas mile medley relay team of Jimmy Holt, Eddie Southern, Wally Wilson, and Drew Dunlap bettered the record of 4.1 seconds with a 3:23.0. Again Morrow took the 100-yard dash by coming from behind in the final 15 yards, overtaking Bill Woodhouse, also of A.C.C., with a time of 9.6. Joe Irvin of Texas won the discus throw with 161 feet, 2 inches and Bruce Parker of Texas took the javelin throw with 210 feet, 7 inches.

ABC RELAYS

Big Spring was the site of the ABC Relays and the weather was hot and windy as it kicked sand off of the wide open Texas spaces. But the wind and the weather did not dampen the spirits of the fans who had traveled from far and near to see Bobby Morrow duel Dave Sime in what was billed as the "dash of the century." As strong and powerful as a Kentucky Derby favorite, Sime got an almost perfect start, dueled with A.C.C.'s Woodhouse and Bobby Morrow for 70 yards, then pulled away to win by nearly a yard over Woodhouse and Morrow, who finished in a near-dead heat for second place. The time was 9.6 which was not bad for that wind swept strip of cinders. Texas won the university team title easily, scoring 72½ points to 38 for runner-up Abilene Christian, followed by Southern Methodist, 29½; Houston, 28; North Texas, 16½; Baylor, 12½; Texas Tech 11; and Duke 7. Due to the extreme weather conditions the times in all events were rather slow.

WALTER HEDRICK McNEW, Captain

BROOKS TREZEVANT PATRICK

SILAS EDWARD SOUTHERN, JR.

JOE ERNEST VILLARREAL

DALLAS INVITATIONAL MEET

Eddie Southern proved that the 20.7 220-yard dash he ran two weeks ago wasn't a fluke, and The University of Texas nosed out Abilene Christian College for team honors, 58½ to 51, to highlight action in the 1958 Dallas Invitational Track and Field Meet. Southern defeated Abilene Christian's famed twosome of Bobby Morrow and Bill Woodhouse in one of the closest 220 races ever. Bruce Parker set a new school and meet record in the javelin throw with a toss of 229' 1½". In another well-fought race Gail Hodgson pulled away from Joe Villarreal in the back stretch of the final mile lap and won by 35 yards to rack up a new record of 4:11.6 in the mile run.

CHARLES HERMAN HAYMAN

KANSAS RELAYS

Moving to Lawrence, Kansas and the Kansas Relays Texas moved into the select circle with Oklahoma, Howard Payne and East Texas State, as the only schools to win two relay titles in the two-day meet. The Longhorns won their baton championship in the 440-yard relay with the good time of 40.3 seconds, the best in the nation this season. Southern anchored the mile relay and was chiefly responsible for their new National Collegiate record in that event. The Longhorns stamped to a time of 3:09.1 three-tenths of a second under the University of California mark that has stood since 1941. Southern raced around the stadium oval in an incredible 44.6 seconds, believed to be the best relay carry in history. Texas figured in 11 of the 26 championships determined in the two days.

DRAKE RELAYS

In Des Moines, Iowa, the Texas tracksters led the parade of talent to the victory stand three times and each time with a record breaking performance. Texas victories came in the distance medley relay, the javelin throw and the one-mile relay as expected. Houston's Jack Smyth retained the hop, step and jump title and bettered his own record with a leap of 49 feet, 9 inches which was 15½ inches beyond his previous mark. Parker won the javelin throw for Texas with the winning toss of 224 feet. With Hollis Gainey out with an injury Texas had to be content with a runner-up spot in the 880-yard relay and a third place finish in the 440 contest. Perhaps the sweetest victory of the entire two day meet came to little Joe Villarreal and his distance medley mates who ended Oklahoma's undefeated string with a 9:57.6 performance. The winning team of Holt, Dunlap, Pitner, and Villarreal won by a decisive margin.

COLISEUM RELAYS

The big thrills in the Coliseum Meet in Los Angeles was provided not by Texas but by a long-striding Herb Elliott of Australia who delighted the 36,646 fans with a magnificent 3:57.8 clocking in the one mile run. This was the second fastest ever run but will not count as a record because pacer Drew Dunlap withdrew from the race after two laps. California's two-mile relay group winners at the Texas Relays, cut almost two full seconds off the world record with a brilliant 7:20.9 clocking. Texas also had a wonderful night picking up five first places. The University mile relay team remained undefeated as Eddie Southern anchored the foursome to a glittering 3:10.9 with a 46.3 clocking for his quarter. Preceding him was Wally Wilson, Drew Dunlap and Jimmy Holt. Bobby Morrow lost by an eye lash in the 100-yard dash to unbeaten Ray Norton of San Jose State. The times turned in for most events were surprisingly good since the track was grass covered to accommodate the incoming Los Angeles Dodgers.

PETER LINDSEY REYNOLDS

TRIANGULAR MEETS HOUSTON-TEXAS A&M

Texas opened the '58 season in wet, chilly 43 degree weather to capture a decisive victory over Houston and Texas A&M in a triangular meet. Coach Littlefield's cindermen closed the day's work with 96 points as compared with 40 for the Cougars and 34 for A&M. Despite the rain, two meet records were shattered and one tied. Houston's Jerry Smartt stepped a 9:38.9 mark set in 1954. Eddie Southern kicked the wet cinders high as he whizzed around the oval to tie the varsity 48.4 record in the 440-yd. dash. Little Joe Villarreal, who stands a mere 5-4, ran a 4:18.9 mile and was repeat winner with 1:58.6 in the 880. In one of the most exciting events of the day, Texas edged Houston in the mile relay with a winning time of 3:24.

BAYLOR-SMU

Texas captured eight first places to Southern Methodists' seven, but better depth in placing in events gave the Steers a 90½ to 57 point bulge over the Mustangs with Baylor barely scratching with 22½. Highlight of this event during the Easter holidays was as usual Eddie Southern—but this time in a different event. The 100-yard and 200-yard dashes gained the Steer star's attention, and he raced to victory with outstanding times in both. He won the century in 9.4 and the 220 in 20.7 seconds. Bruce Parker, Alex Palmros, Joe Villarreal and Hollis Gainey broke the tapes first or heaved their instruments farthest in their events, gave the Longhorns their wide margin of victory.

A&M-RICE

The Longhorns passed Rice and Texas A&M with the grand total of 107½ points. Rice was a poor second, managing only 34 points. Mighty Eddie Southern did his best and became the nations fastest collegiate quarter-miler in history by establishing a national collegiate mark of 46.1 seconds. There was very little wind at the time of the race and the mark proved to be only .3 seconds off of the world's mark of 45.8 set by Jim Lea in 1956 around one turn. But Villarreal was not entirely eclipsed by Southern's fine run as he turned a splendid 61-second last lap to win his mile speciality in 4:08 thus bettering the previous mark by one second. Palmros broke an 18-year-old mark in the discus throw, with a school record toss of 167 feet, 11¾ inches.

CALIFORNIA POST SEASON MEETS

Modesto's California Relays was the site of a near miss by Eddie Southern, as he failed to crack the world 440-yard dash mark by one tenth of a second. Southern anchored his Texas team to a meet record breaking mile relay time in addition to his 45.9 quarter. Teammates making the California trip were Jimmy Holt, Wally Wilson, and Drew Dunlap on the relay team with little Joe Villarreal running the mile for the Horns. The winning Steer time in the mile relay was 3:10.3. Villarreal took sixth in the mile run, and in the field events Bruce Parker took third in the javelin throw.

A week later two of the world's greatest runners, Texas' Southern and Australia's Herb Elliott, had to be content with near misses in the 19th annual Compton Invitation Track and Field Meet. Again the Longhorn great clocked a 45.9 in the quarter and Joe Villarreal took the first slot in the two mile run. The Orange and white relay team of Holt, Southern, Dunlap, and Wilson again repeated themselves in a record breaking mile in 3:10.1.

Not content the cindermen took to the track at Sanger the following night where the Longhorns took three firsts and placed Alex Palmros in the shot put. Palmros who had trouble in the earlier meets finding his mark hurled the weight to the fourth place spot. Southern, hampered by cold winds won the 440-yard dash in 46.1, Villarreal broke the tape first in the mile in a field of star-studded distance men. Growing stronger each meet Parker tossed the javelin to a first place victory for a new meet, stadium, and school record with a throw of 240½ feet.

TEXAS RELAYS

Franklin Lanier Cox crowns Sharon Henson as the 1958 Texas Relay Queen.

The colorful Texas Relays saw many old records fall before the star-studded array of collegiate track and field talent headed by such Olympic stalwarts as Eddie Southern, Bobby Morrow, and Glenn Davis. In the two-mile run Maury Graves of Stanford, outlegged Jerry Smartt of Houston to set a new record of 9:29.9. The old record was set by Bruce Brown of SMU. Ernie Shelby of Kansas broad jumped 26-3½ to set a new relays record. On the previous jump, Shelby had shattered the world record but scratched and so had to settle for his 26-3½. Again in the javelin throw, Bruce Parker threw the spar 222-6¼ for a new school record but John Fromm, Pacific Lutheran, flipped it for 250-10½ and a new national collegiate record.

* Record

In Dallas Eddie Southern and Joe Villarreal led Texas to a fifth straight SWC track and field championship in ideal weather conditions. Texas placed in all but one of the sixteen events and nearly doubled its nearest rival, SMU, by counting 91 points to 47 for the Mustangs. Baylor edged Rice 31½ to 31, for the third place honors, followed by Arkansas 24½, TCU 15½, Texas A&M 15, and Texas Tech 11½.

DREW WOOLFORD DUNLAP

JIMMY CLYDE HOLT

DAN KEITH PITNER

1958 BASEBALL

BIBB A. FALK
Coach

Combining excellent pitching with air splitting batting power the Texas Longhorns won their one thousandth game and went on to take their 32nd SWC Championship in 1958. Behind the pitching prowess of George Myers and Bob Sudderth and the stick skill of Max Alvis, Jerry Good, and Wayne McDonald, it was Texas all the way in repeating the 1957 performance of SWC victory. Losing only one SWC game to the score of 8-1 to SMU, the Steers' consistent championship playing put four on the District 6 all-Star team. In batting department Alvis led the SWC in hitting with a record of .403. Woody Woodman the Orange and White second baseman was close behind Alvis with a fourth place rank in the Conference of .377 per game. The season record of sixteen wins against only four losses enabled the Horns to gain a berth in the NCAA District 6 playoffs when they downed the University of Houston 3-2 in a ten inning contest.

DISTRICT SIX PLAY-OFF

Arizona's Wildcats defeated the Texas Longhorns two games to one in Tucson in the NCAA District Six baseball title to win a trip to Omaha for the National NCAA play-offs. Opening the series the Longhorns resoundingly thumped the Wildcats by a 14-3 score and it looked as if Texas would take its fifth straight play-off set from Arizona. Previous wins came in 1950, 1952, 1953 and 1957. Arizona, forced to win or else let Texas make the Omaha venture, came back to clout three Longhorn pitchers for thirteen hits and a 16-4 victory in the second game. Profiting on three runs in the first inning of the third and final game the Wildcats kept up their annoying habits at the plate and went on to take the contest by a 5-2 margin. The loss gave the Steers a total season record of 18-6.

Hard hitting Max Alvis, gets set to swing at a pitched ball as Oklahoma catcher, Donn Nipp anticipates a clean swing.

TEXAS 6 — BAYLOR 2

Bob Sudderth overcame first inning jitters to pitch the Texas Longhorns to a 6-2 non-conference victory over the Baylor Bears. The Longhorns broke up a 2-2 tie in the eighth inning to push over four runs for the win. Greg Martin came to pitch for Texas in the last two innings. In Texas' big eighth inning Glenn Von Rosenberg and Pete Embry started things by grabbing walks from the erratic Bruin hurler. Both men were able to advance on Good's sacrifice bunt which was played late at third. With bases loaded Baylor reliever Gerald Johnson hit Wayne McDonald forcing over the tie breaking run.

TEXAS 9 — BROOKS ARMY MEDICS 7

Texas showed their offensive power in this game, ably displaying their wares by blasting out 13 hits including two home runs and three doubles. Jerry Good had a solo roundtripper and Pete Embry blasted a three-run homer. George Myers started on the mound for Texas followed by Bob Sudderth in the third inning and finally Sudderth was relieved by Greg Martin in the eighth. Martin took over when the situation stood at three men on and no outs but Martin proved to be a real fireman and preserved the Longhorn lead. Texas started scoring early by picking up two runs in the bottom of the first from Medic hurler Bob McDaniel, former TCU star. Woody Woodman and Glenn Von Rosenberg showed the way with their big bats and Texas never let up.

TEXAS 13 — OKLAHOMA 2

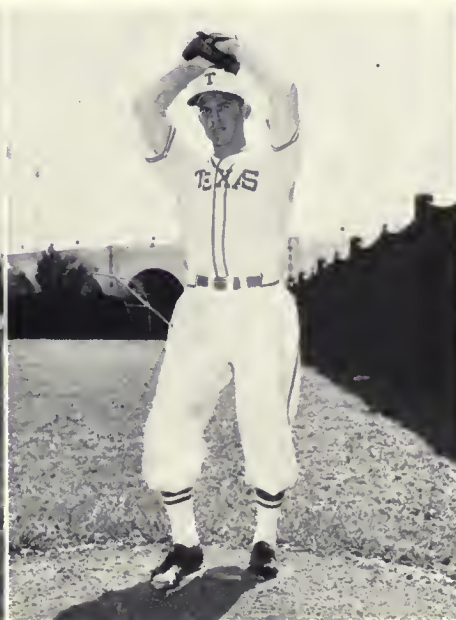

In the first of the two game series with the Oklahoma Sooners, Texas collected thirteen hits, three doubles and a triple as they conquered the Sooners, 13-2, for their third straight win of the 1958 campaign.

TEXAS 3 — OKLAHOMA 5

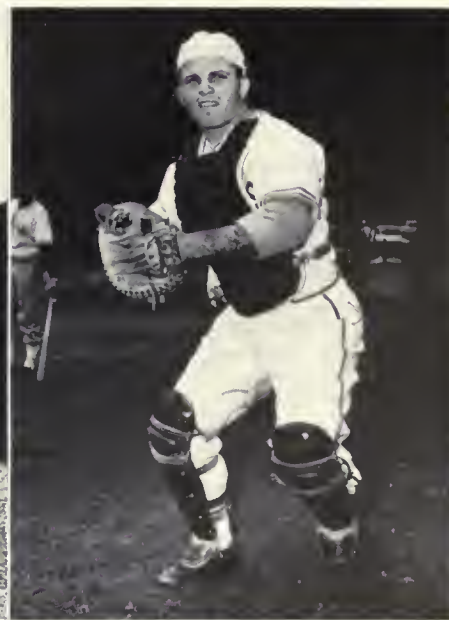

The second of the two game series found the Steers held in check for six full innings without a hit then suddenly they found the range and blasted Sooner reliever Ron Plath for three hits in the top of the seventh before bowing to the surprising Sooners. Oklahoma struck early and hard accounting for two runs in the second frame. Steer bats remained silent for five straight innings and while they remained as cold as absolute zero, the men from Oklahoma jumped on Bob Sudderth for four more hits and three runs in the sixth inning. The Steers finally got a rally started in the seventh but the effort proved too little, too late.

GERALD LEWIS GOOD

GEORGE ERNEST MYERS

JOHNNY EDWARD ELAM

TEXAS 4 — SAM HOUSTON 11

Still smarting from their previous defeat Texas found the Sam Houston Bearkats too much to handle as they were handed their second straight defeat, 11-4, this time by the Kats. Sam Houston rapped out twelve hits and their fielding was flawless whereas five defensive miscues by the Steers added to the Bearkats cause. Texas was forced to use three pitchers. George Myers opened the game but allowed six runs on four hits and in the fourth, Paul Zavoriskas took over on the Texas mound and limited the Kats to only three runs. Greg Martin then worked the ninth allowing four tallies. Leading hitters of the day for the Steers were, Pete Embry and catcher, Johnny Elam, each contributing two safeties in four trips to the plate.

TEXAS 11 — RICE 0

In the Friday opener it was a three hit, twelve strike-out effort by Bob Sudderth which did the trick. He was backed by a thirteen hit barrage featuring a home run by Wayne McDonald and Roy Menge rapped out three hits, Pete Embry chipped in two safeties which were good for four runs batted in. The frustrated Owls could never get started and they played lackadaisical ball all afternoon.

TEXAS 14 — RICE 1

In the second game of the series Texas wasted no time in jumping into the lead in the second inning and winning the contest from the Owls, 14-1. Texas scored two runs in the second frame, one in the fifth, added five runs in the sixth and scored an additional six runs in the eighth inning. Steer pitcher, George Myers limited the Owls to five hits and one unearned run as he pitched the Steers to their second conference win of the early season.

TEXAS 16 — MINNESOTA 13

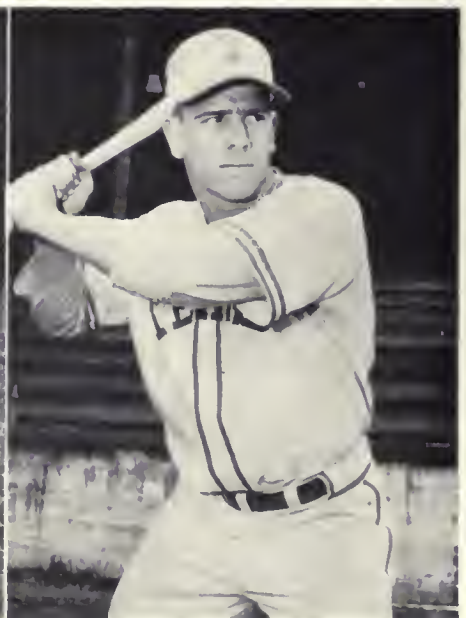

The Golden Gophers from Minnesota rolled into Clark Field for a two game stand with the Longhorns only to lose the opener 16-13 to Texas. It was an offensive struggle all the way which kept the outfield hustling. A touch and go ball game from the start the Steers finally broke through in the sixth inning and were never caught again. Then the fickle Texas weather rained out the second game.

WAYMON WAYNE McDONALD

JAY HOYLAND ARNETTE

ROY MAXWELL ALVIS

TEXAS 8 — TCU 4

Tied for first place with Texas A&M and SMU going into this game, the slugging Steers gained undisputed possession of first place as they downed TCU 8-4 at Clark Field. Steer pitcher George Myers limited the Frogs to eight hits as he pitched and won his third game of the season. Leading Texas' 13 hit attack against the Frogs was third baseman Max Alvis with three hits in three trips to bat. With this victory the Longhorns hold a season record of seven wins against two losses.

TEXAS 4 — TCU 3

Max Alvis singled and scored in the eleventh inning of the second game to give the Texas diamond men their fourth straight SWC victory, this time by a 4-3 margin, over Texas Christian at Clark Field. Until Alvis' tally Texas had not held the lead all afternoon. TCU grabbed a 2-0 lead in the second stanza; Texas got one in the fifth only to see the Frogs come back with a single marker in the seventh and Texas finally tied it up with a pair in the bottom half of that inning. From that time until the eleventh the two teams battled scorelessly with Darrell Read hurling fine ball for TCU and Bob Sudderth and Greg Martin doing yoe-man service for the home team. Alvis singled in the eleventh and came home when the Froggie second baseman threw wildly on Jay Arnette's double play ball to give Texas the winning margin.

TEXAS 4 — BAYLOR 2

Traveling to Waco the Longhorns rode to a 4-2 victory and took one more step toward the much coveted SWC baseball championship. The win gave the Steers a 5-0 record in conference play, while it was Baylor's fourth loss in five starts. The Bruins capitalized on a Longhorn error to make it 1-0 in the bottom of the first inning. Until the fifth inning the game settled down into a pitchers duel between Texas' George Myers and Raughton but finally the 'Horns came to life in the fifth to take the lead for the first time that day thanks to a bases loaded single by Jay Arnette which drove in two runs for the Steers. The game was a pitchers duel most of the way, seldom ever getting out of hand.

TEXAS 12 — RICE 6

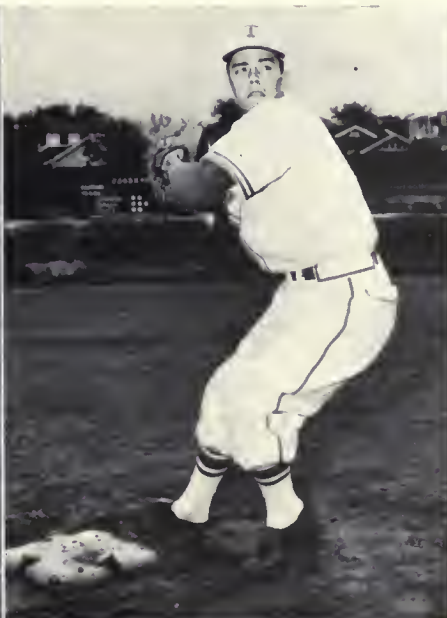

Riding on the bats of Jerry Good and Roy Menge the Longhorns easily overwhelmed the Rice Owls 12-6. Menge slammed four hits, including a home run and a triple, and batted in six runs, and Good collected two hits in three times at bat, including a three run double in the second. Texas scored once in the first inning and continued their run craze in the second when Abernathy clobbered a triple against the base of the cliff in Clark Field. Texas never gave the lead away during the afternoon.

An Aggie batter safe on a bad throw to first.

GLENN ARTHUR VON ROSENBERG

JOHN ALAN WOODMAN

ROBERT B. SUDDERTH

ERNEST ALEXANDER (PETE) EMBRY

TEXAS 8 — TCU 3

Using a combination of eight hits, ten bases on balls, and six TCU errors, the Texas Longhorns scored an 8-3 victory over the Horned Frogs in a SWC game. The biggest blow of the day came in the Texas half of the fifth inning when Wayne McDonald blasted a ball over the left field wall which scored pitcher George Myers and the third baseman Max Alvis to increase the Steer lead to 7-1. Myers went all the way for the Steers, fanning ten men while walking six.

TEXAS 3 — SAM HOUSTON 7

The Sam Houston Bearkats used Louis Pryor's two-run homers in the first and sixth innings to provide the winning margin of 7-3 over the Longhorns. Coach Falk started six sophomores to give some of his regulars a rest. The Longhorns scored their only runs in the third inning. Johnny Mayer cracked a double to left and Paul Zavorskas then smashed a hard single off Ronnie Choate's knee at third and both runners scored and Woody Woodman advanced to second base from which point he scored on a single. Meanwhile the story of the game rested with Pat Centilli of the 'Kats who allowed only five hits, all singles, and no runs from the fourth through the ninth inning. The Longhorn's sole consolation in the loss seemed to be in the good play of some of the sophomores especially in the fielding of Jarye LaFavers and Jay Arnette's hitting.

TEXAS 11 — BAYLOR 2

The high-riding Texas Longhorns combined George Myers ten strike-outs, seven-hit pitching, and fourteen big Longhorn hits to crush Baylor 11-2 at Clark Field. The 'Horns led by Woody Woodman's four hits, made a race track out of the base paths to maintain their tight grip on the first place in the SWC baseball chase. George Myers allowed only one hit during the last four innings and all the Longhorn regulars got at least one run batted in with the exception of Max Alvis and he scored twice and swatted a double.

ROY ARTHUR MENGE

TEXAS 4 — BAYLOR 0

Rain helped Bob Sudderth and the Longhorns to a 4-0 five inning victory over the Baylor Bears at Clark Field. Umpire Dusty Lyons called time after Texas had batted in the bottom half of the fifth inning and after a fifteen-minute wait, Lyons officially called the game giving the 'Horns their ninth SWC victory of the season. Actually Baylor was lucky to get off so easy. After five innings of play Sudderth had struck out eight Bruin batsmen while limiting them to only two singles. Baylor hurler Bob Cullison had allowed five hits, including three doubles and he had struck out no one.

No victory ever came sweeter to any team as Texas claimed their thirty-second SWC Championship in 43 years by downing the Ponies 15-8. The hit-happy Longhorns exacted sweet revenge from the Southern Methodist Mustangs who had defeated them earlier in the season. Texas still had three games to play but no challenger could catch them now. Jerry Good smashed four singles to pace the barrage against Marwin King, George Moore and Bob Burgess, while Roy Menge, Max Alvis and Jay Arnette each had three safeties.

PAUL ANTHONY ZAVORSKAS

TEXAS 1 — SMU 8

But the Ponies managed to take some of the sting out of their historic loss by defeating the Orange and White diamond men in Dallas thus making the Longhorns taste defeat on the road for the first time this season. Longhorn errors were numerous, the most costly of which was made by Good who let a bases-loaded double play ball skid through his legs to permit two men to score for the Mustangs. Texas picked up its run in the top half of the inning on singles by Max Alvis and Pete Embry, a walk and Johnny Mayer's ground out.

TEXAS 11 — TEXAS A&M 2

Now undisputed champions of the Southwest Conference race, the Texas Longhorns once again rode the strong right arm of George Myers to an 11-2 victory over A&M at Clark Field. The win was another milestone in Texas' athletic history, as it marked their one thousandth victory in sixty-two campaigns. Those wins include exhibition victories over Texas League opposition as well as the regular intercollegiate schedule played by 'Horns down through the years. Myers, thanks to this victory, became the first Longhorn pitcher since the Bobby Layne era of 1946-47 to win eight straight games.

TEXAS 4 — TEXAS A&M 0

Texas ended the SWC season on a good note by downing the Aggies once again 4-0. The winning pitcher was Paul Zavorskas who toiled on the mound for four of the six innings. Bob Sudderth pitched the last three frames and the combined performance of Zavorskas and Sudderth gave Texas the only shutout administered by the pitching staff during the course of the 1958 campaign. Although Texas could collect only five hits, their defensive play was good.

Longhorn first baseman Jerry Good applies the tag out on Rice's Claude White in the first inning of Texas 11-0 Southwest Conference baseball opener at Houston. White was picked off first base by Bob Sudderth, who blanked the Owls on three hits.

WILMER LAWSON ALLISON
Coach

1958 TENNIS

Finishing third in the Southwest Conference tennis play, the slowly starting University varsity was surprised by Trinity University Tennis team who fashioned a rare triumph by administering a 6-0 setback to the Horns. Shortly afterwards the highly favored University of Houston racquet men downed Texas 4-3 but not before almost being upset by a fired up Texas team. The Longhorns took revenge against Trinity by meeting and defeating them 3-2 in a series of matches that lasted more than four hours.

Warming up at last the Texas tennis team handed Baylor its second straight defeat in SWC play for the season. Laurence Becker and Terry Todd put the squeeze on Tulane's highly touted tennis team giving the Steers a 4-2 victory. Next in rain swept Lubbock, Richard Keeton and Laurence Becker, Texas' number one and number two singles players won their individual matches but lost in the doubles to end in a 3-3 tie with the Red Raiders. The Mustangs of Southern Methodist invaded Penick Courts and were beaten 5-1 thus giving the Longhorns a slim chance at holding their SWC tennis title. In a fierce battle Ronnie Fisher of Rice defeated Richard Keeton in the feature singles match, virtually breaking Texas' one hundred percent domination of the SWC tennis crown. Wilmer Allison's boys ended the tennis season in good fashion by taking Texas A&M 5-1 on a very rainy day. The post-season SWC tourney saw Rice's Ronnie Fisher and Art Faust taking all the honors in sight. Thus once again this season the sports books must be rewritten as the Rice Owls finally managed to break Texas' domination of the SWC tennis crown.

LAURENCE ALBERT BECKER

TEXAS 6 — TCU 0

Practically eliminated from Southwest Conference contention, a fired up Longhorn net crew took the TCU Horned Frogs to the cleaners in a Fort Worth match by the score of 6-0.

Number one man Richard Keeton breezed by his opponent 6-0, 6-1, followed by similar performances by Terry Todd, Bill Hinkle, and Eddie Strayhorn. Next Keeton and Strayhorn teamed to topple the Froggies top doubles duo 6-0, 6-1. Hinkle and Todd did likewise posting a victory score of 6-0, 6-4.

TEXAS 4 — BAYLOR 2

For the second time in the 1958 campaign Baylor fell, this time to a smooth working Longhorn squad of racketmen by the score of 4-2. Laurence Becker of Texas beat Tommy Goforth 9-7, 6-2 but John Skogstad managed to upset Texas' ace Richard Keeton 6-1, 8-6, in the feature match. Keeton came back strong as he and Becker defeated John Skogstad and Tommy Goforth, 6-1, 8-6, to take the features double match. Terry Todd and Bill Hinkle teamed to down the Bruin's Buddy Walker and Don Gill 6-3, 6-1.

TEXAS 3 — TEXAS TECH 3

Miserable weather in Lubbock drove several contests indoors before the two Southwest Conference teams completed their match just like they started it, all square at 3-3. Richard Keeton and Laurence Becker Texas' number two singles players won their individual matches, but lost in doubles to Bob Masey and Bill Gowan 6-1, 6-2. This marked the first doubles defeat Texas has suffered since 1951, the winning streak had reached to 66 matches last week when Baylor's two doubles tandem fell. Terry Todd and Bill Hinkle picked up the other UT points by beating David Kent and Dick Spiers, 6-4, 13-11.

TEXAS 5 — SMU 1

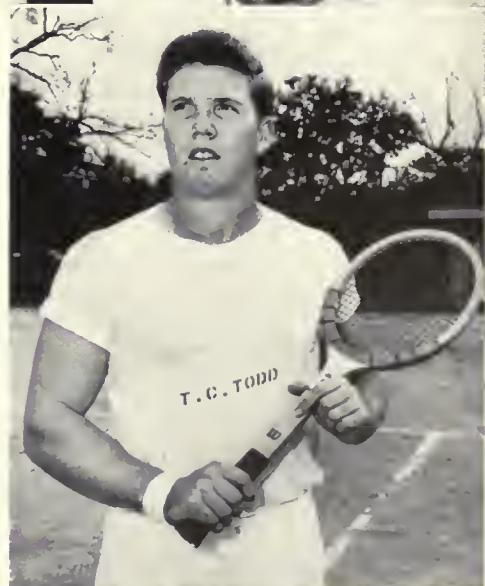

Texas racket squad downed a very good Pony team by the deceptive score of 5-1. Texas lost only one singles even though dependable Laurence Becker was seriously hobbled by a pulled muscle. Becker managed to win his match 7-5, 6-4 over SMU's Bill Wright. Teammate Richard Keeton, playing number one again, was the UT standout, winning his singles duel with Bill Dixon 6-2, 6-2 and teaming with Becker to score a 6-3, 8-6, doubles victory over Rudy Benavides and Hayden Schilling. Terry Todd played number two singles to defeat his man 6-2, 7-5, and he and Bill Hinkle teamed to beat Dixon and Wright in doubles 6-3, 5-7, and 6-4. The Longhorns stood at 12-6 in Conference play as a result of their fine play against the Ponies and still had a slight chance of beating Rice for the SWC Championship.

TEXAS 0 — RICE 4

Steamed up Ronnie Fisher overcame his emotions to barely stave off Texas' Richard Keeton in the feature singles match as Rice swept four from the Steers, virtually breaking Texas' one hundred percent domination of the SWC tennis crown. Next Rice's number two player Art Foust rallied after a first set loss to nudge Terry Todd, 3-6, 6-2, 6-4. Texas also failed to win any of the other sets in their number three and four slots and Laurence Becker was handicapped by an injury but still played a very fine game. At the end of the day Rice stood at 18-4 and Texas 12-10.

TEXAS 5 — TEXAS A&M 1

The Longhorn netters ended their 1958 season with a 5-1 rainy day victory over Texas A&M. Only number one singles player Richard Keeton lost as he clashed with Rex Reed who had perhaps the best day of his career resulting in the 6-3, 6-4 decision. In other matches Terry Todd defeated John Medlin after three very hard sets and Eddie Strayhorn of Texas outlasted Joe Simmons, 6-3, 4-6, 7-5. Rain forced the doubles matches indoors but the shift in playing site didn't bother the UT team as Bill Hinkle and Terry Todd beat Rex Reed and Robert Jones, 7-5, 6-4 and Keeton and Strayhorn beat John Medlin and Joe Simmons, 8-6, 7-5.

GOLF

Texas University's golf team began pre-conference play sloshing out a wet win over Baylor University 4½ to 1½. Nevertheless, in dryer weather at the Border Olympics in Laredo and at the Southwestern Intercollegiate Golf Tournament in Houston, the Longhorns fell behind, placing ninth and twelfth respectively.

In conference play, the golfer's mark was 23½ won and 18½ lost. In winning, the Steer players took the part of spoilers, upsetting pre-season favorite Texas Tech and jolting A&M from a chance at the SWC title. In the last game with Rice, John Trimble led the victory with a three-under-par 68. Playing again in wet weather, Longhorn linksmen Seekatz, White, and Rhodes all won to wallop Rice 6-0.

Despite the return of many of the golfers, Texas placed fifth in SWC play.

1957 SHORTHORN FOOTBALL

The Freshmen opened up their 1957 campaign in fine fashion by downing the Baylor Cubs 13-6. With one second left on the clock quarterback Tommy Newman faded back and fired a quick pass to Bobby Goodwin for the winning touchdown. Near the end of the second period the Shorthorns held the Cubs on the orange and white one yard line until the end of the half. Jerry Hollon of Texas was the leading rusher for the night with 67 yards gained on the ground in sixteen carries.

In their second contest of the season the Yearlings clashed with and tied the Rice Owlets in Memorial Stadium after a hard fought game, 13-13. The Shorthorns mustered over a last minute touchdown, had their extra point attempt blocked, and reluctantly accepted the tie. Again the score came in the closing minutes of the contest as Tommy Newman handed the ball to Frank Neffendorf who went over from the one yard line. Texas played hard defensive ball causing Rice to fumble five times during the afternoon.

Travelling next to Dallas on a wet, sloppy Friday afternoon, the Shorthorns managed a 9-0 victory over the SMU Colts. The victory was wrapped up in the first quarter when Ray Barton, 180-pound Yearling halfback swept end for five yards and a touchdown. In the fourth quarter, Barton kicked a twenty-eight yard field goal for the final score of the game. The win put the Shorthorns in a commanding position to recap the freshman title which they shared last year.

Migrating to Fort Worth for the week-end the Yearlings were roughly received by the TCU Wogs and were handed the first and final defeat of the season, 28-13. The first half was a nip and tuck affair with neither ball club being able to gain any advantage until Texas finally mustered six points only to see its opponents come back and grab the lead, 7-6. Before the half had ended the Shorthorns led once again 13-7 and held the lead until the third period. The second half belonged entirely to the heavier Froggies who finally managed to wear the Steerlets down and pick up three touchdowns before the final whistle sounded. This game dropped Texas into second in the unofficial SWC freshman race, just behind the game pacing TCU Wogs.

Playing their last game of the season the Shorthorns outclassed Texas A&M, 19-13. The game was a slippery affair during the first half and neither team could gain the advantage. Watching the play in 42 degree weather lashed by rain, the eight thousand brave fans saw the stalemate explode in the last seven minutes of the third quarter and resulted in five touchdowns before the afternoon was complete. Texas played heads up ball all afternoon and coupled with fine offensive showing of the second half the Yearlings previously dormant team ran wild.

Statistically the Texas freshmen showed up very well except that the lads fumbled the pigskin twenty-three times in five games and failed to recover eleven of these. Freshmen Ray Barton, Drew Morris, Tommy Newman, Roy Goodman, Armour McManus, Tillman O'Brien, Bill Laughlin, Bobby Goodwin and others should see plenty of action on the Varsity next fall.

JAMES RAYMOND VIRAMONTES
Coach

SHORTHORN BASKETBALL

Alberto Almanza and Wayne Clark led the Texas Shorthorns to a near perfect basketball season with only one loss—to Lon Morris. Almanza scored 262 points for the season averaging 21 counters per contest. Clark was high point man in the three games that Almanza failed to top the roster. Coach Viramontes' charges combined deadly accurate shooting with strong reserve power to post an 11-1 season record.

SHORTHORN TRACK

T. J. LOVVORN, *Coach*

The SMU colts ended the Texas Shorthorns' reign in the freshman division of the Southwest Conference with a slight 56-53 margin, achieved because the Texas team failed to finish in the sprint relay that it was favored to win. The Yearling thinlies fouled up on their first baton exchange and dropped out after the first two legs. Ralph Alspaugh, who scored a double in the sprints, and Jim Allison, weightman, simply did not have enough help as the Colts finished strong, winning nine events, to topple Texas from the three year old conference title reign. Alspaugh, displaying sprinting features of a gazelle won the freshman 100 in 9.7, the 220, in 20.8, and had a 47.6 anchor carry on a mile relay team that had to settle for fourth place. A new SWC record was made when Allison tossed the shot 51'10".

In other season meets, the Steer freshmen were dominant in their ability to carry off first place awards. In a triangular meet against Houston, and A&M the Shorthorns piled up 69 points to Houston's 48 and A&M's 30. Ronald Ablowich, Allison, and Alspaugh accounted for eight of the Texas first places.

Preceding a trip to the Mexico City Invitational Meet, where they again took top honors, the frosh were busy breaking records at the Texas Relays. Alspaugh cracked the division record in the 100-yard dash with 9.5, eclipsing the old mark of 9.6 Texas placed either first or second in every event that was offered.

SHORTHORN BASEBALL

JACK TRENCH
Coach

The 1958 Shorthorn Baseball season saw the Yearling baseballers post a 6-12 record on the books. Hampered by rained-out games and lack of reserve power the young Steers did play well together and exhibited definite talent for the 1959 Varsity nine. Leading the freshmen at the plate were Arthur Adams, Walter Crain, Terry Struve and Billy Kennedy. Coach Jack Trench's charges should help the coming season record for the Longhorns to repeat its 1958 performance.

**U.T.S.A.
1957-1958**

Billy Jean Cain was introduced as president of UTSA for the year 1958-59. Other new officers are Janice Edds, vice-president; Colleen O'Connor, secretary; Mollie Kavanagh, treasurer; and Kay Pearson and Jane Stotts, members-at-large.

The most outstanding members of the individual UTSA clubs were announced as Nancy Fielding, Bow and Arrow; Janet Allison, Canter Club; Prissy Adams, Poona Club, Marion Rankin, Tumble; and Babs Zurovec, Strike and Spare.

Original songs presented by each club and table centerpieces were judged. "Ride along, Canter Club" was named the best song, and Turtle Club's "Bright Red Tank Suits" was second. Turtle Club's table decorations won first and Canter Club's were second.

OUTSTANDING ATHLETES

Left to Right: Frank Taylor Nagle, DELTA TAU DELTA, Fraternity Division; Bobby Frederick Galbreath, BRUNETTE HOUSE, Independent Division; Jackie Ray Boston, OAK GROVE, Club Division; Leslie Erwin Opperman, B C D SAN JACINTO DORMITORY, Dormitory Division.

POW-WOW

Oak Grove, for years a leading organization in University of Texas intramurals sports, racked up another trophy as it was awarded the All-Year Organization Championship Trophy for 1957-1958 at the annual Pow-Wow banquet.

David Henderson, Oak Grove intramurals manager, accepted the coveted award for his co-op, which amassed a total of 3,551 points to also top all organizations in the club division.

The Runner-Up All-Year Organization Trophy went to the fraternity division ruler, Delta Tau Delta which ended with 3,395 points.

Brackenridge Hall paced the dormitory division with 2,552 points. Brunette led the independents with 1,995.5.

All four winners were defending champions in their respective divisions. However, the Delts and Oak Grove exchanged places in all-University standings.

Division title-holders, as well as runners-up, were awarded trophies. Managers of the three highest teams in each class were awarded medals.

Jackie Boston of Oak Grove and Frank Nagle of Delta Tau Delta each amassed a total of 129 points to lead the way in their divisions. Other crown-winners were Les Opperman of Dormitories BCD and Bobby Galbreath of Brunette, who had 90 and 72 points, respectively.

Campus Guild showed the best sportsmanship as a team during the season. Gordon Appleman substituting for Jerry Nathan announced the winner of the Cowboy-sponsored trophy.

JUNIOR MANAGERS

FALL 1957

Front Row: Jerry Donald Davis, Isaac Dwaine Eubanks, David Holland Henderson.
Second Row: Eugene Thomas Beynon, Leon Johnson, Jr., Philip Calvin Cezeaux, William Lee George.

FRANK EVINS SPORTSMAN TROPHY WINNER

Robert Hicks McIntyre, DELTA TAU DELTA

JUNIOR MANAGERS

SPRING 1958

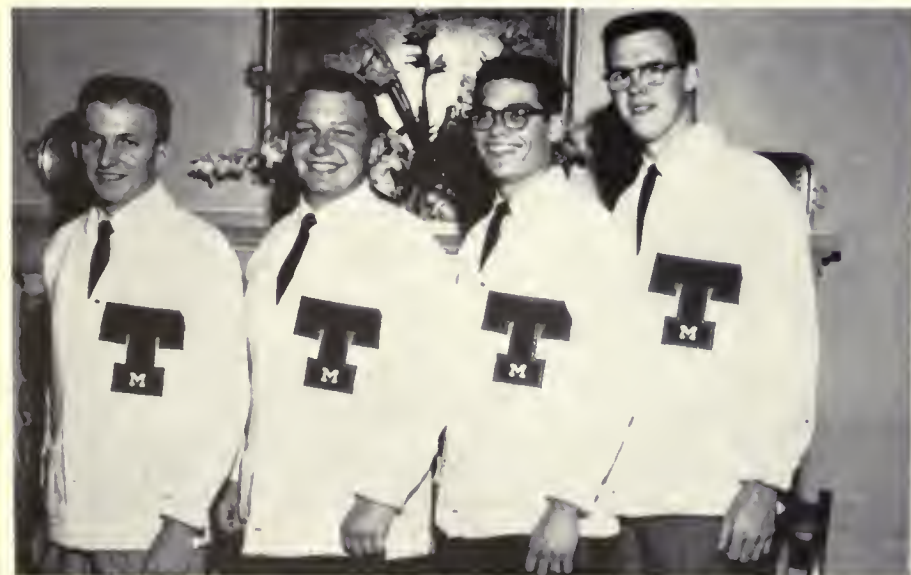

Front Row: Donald Reed Phillips, John Leo Myers, Jr., William Richard McCracken, William Keith Miles, Karl Schoenfield.
Second Row: Richard Barry Bermont, Harold D. Orr, Joseph Duane Hooker, Milton Clarence Schroeder, Walter David Switzer.

PARTICIPATION TROPHY WINNER

Thomas Gould Hendrick, MOORE-HILL HALL

SENIOR MANAGERS

1958

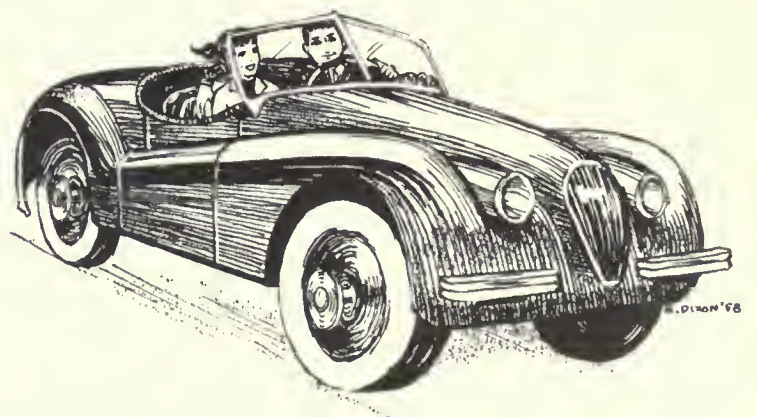

Left to Right: Stewart Gillett, PHI SIGMA KAPPA; Everette Tucker, INDEPENDENT; George Appleman, SIGMA ALPHA MU; George Helland, SIGMA NU.

*STUDENT GOVERNMENT
AND
PUBLICATIONS*

STUDENTS' ASSOCIATION

HARLEY CLARK, *President*, and JUELL JOY KRAUTER, *Clerk*.

Every student of The University of Texas is automatically a member of the Students' Association. Its function is to provide a medium of expression of student opinion, to give student voice to University affairs, and to interpret University policies into student action. It needs the interest and participation of every University student to make it a success—a true reflection of student feeling.

The Students' Association administrative staff consists of three executive officers (President, Vice-President, and Secretary), a legislative branch (Student Assembly), and a judicial branch (Student Court). The elected president, vice-president, and secretary represent the student body on President Wilson's Advisory Council, Faculty Student Cabinet, the Union Board of Directors, the Athletic Council, the Board of Directors of Texas Student Publications, Inc., Social Calendar Committee, Student-Regent Liaison Committee, and many other committees related to student activities. They also administer the committee and cabinet system under which the Students' Association operates.

HAL HUDSPETH, *Vice-President*

NANCY GOOSBY, *Fall Secretary*, and JOAN FRANKLIN, *Spring Secretary*.

STUDENT ASSEMBLY

The Student Assembly is the legislative and policy determining body for the Students' Association and for its committees and executive officers. Every student has at least one person representing his college or school in the Assembly, and each member of the student body should be concerned with the quality of representation he is getting.

Traditional functions of the Assembly include appropriation of the Blanket Tax, approving student appointments to University governing boards and committees, making recommendations to administrative and legislative authorities by passing resolutions, and conducting investigations in the interest of student welfare.

This year's Assembly was characterized by mature action through the permanent committee system which was instituted in the fall of 1956. A great deal of constructive work was done in activities which received little publicity, but which contributed toward making this a better University for all the students.

STUDENT COURT

THOMAS G. BOUSQUET, *Chief Justice*

The Chief Justice and four Associate Justices, elected by the student body, form the Judicial branch of the Students' Association, the Student Court. The Court tries all cases arising under the constitution of the Students' Association, examines books of campus organizations, decides disputed elections, and can impel student officials to carry out the duties of their respective offices. A recent addition to the duties of the Court is hearing cases of student traffic violations. The Court is available to students and student organizations for interpretation or advisory judgments concerning the constitution or legislation of the assembly.

TEXAS UNION

The Union is the community center of the University, for all the members of the University family—students, faculty, administration, alumni, and guests. It is not just a building; it is also an organization and a program. As the “living room” or “hearthstone” of the University, the Union provides for services, conveniences, and amenities which the members of the University family need in their daily life on the campus and for getting to know and understand one another through informal association outside the classroom. It encourages citizenship training, and develops self-expression, group effectiveness, and social responsibility. The Union serves as a unifying force in the life of the University, cultivating enduring regard for and loyalty to the University.

THE CACTUS

BETTYE FAULK, *Editor-in-Chief*

The 1958 CACTUS has as its aim the presentation of an unusual book in an unusual year. As is always the main goal of a yearbook, this CACTUS has as its ambition the portrayal of the University as it actually is. This in itself is not unusual, but the added something is found in the fact that this year we have been celebrating the seventy-fifth anniversary of a great University—a University which nostalgically looks at its past and fervently works toward its future. To show the effect of the changes wrought by the plans that have been made is the aim of this CACTUS.

In the makeup of the CACTUS, there is no central theme throughout the book. The University of Texas Campus, its Tower, Union, and Main Building have been incorporated predominately in the book; and scenes which are familiar to you now to bring fond memories in the future. Color extends from the end sheet in the front of the book, on to the cactus plant which represents us, covering each main division page, and finally closing the book on the final end sheet. Honoring the 75th Year of The University, The CACTUS has included a section dealing with the past seventy-five years of the University and the celebrations of the current year. The book is designed to be more representative of every phase of campus life—to deal with the campus in every respect, to give you a concrete memory of the years you spent on the Forty Acres.

And so we give you the 1958 CACTUS—our book and yours—the unusual book of the University in an unusual year. We feel that this CACTUS is truly representative of all the campus, and not partial to any part of it.

The staff has been unusually hardworking and cooperative, and sincere thanks are given to all of them. Bud Toole, the associate editor and Henry Rainbow, the editorial assistant, were invaluable aids in managing the staff and assisting with the actual production of the book as was each editor, assistant, and staff worker. Special thanks go to Bobbi Dixon, the artist, who designed the cover and did all art work in the yearbook. Another year ends, another CACTUS is completed, and another book of memories is yours. Our thanks to all of you who have directly or indirectly contributed to this—THE 1958 CACTUS.

THE DAILY TEXAN

BUD MIMS
Editor-in-Chief

BENNY GOODWIN
Managing Editor, Fall

The Daily Texan completed its fifty-eighth year of publication in a year of change and challenge for The University of Texas. It was a year which found the University at the crossroads of its career as an institution, taking a look backward at where it had been in seventy-five years and look to the future, particularly for the next twenty-five years.

As the University "turned seventy-five," students, faculty, administrators, and layman from all over the state joined together to wish the University a happy birthday, then settled down to the task of evaluation and projection, going over the accomplishments and contributions of the past and charting the goals and needs of the future with a single purpose, to fulfill the Constitutional mandate that The University of Texas shall be "a University of the first class."

It was also a time for individual groups in all phases of University life to take stock of themselves, to see if their present existence was justified, to examine themselves in the light of present and future changes in the University to see if they could meet the challenge of a university with a "new look."

It was a year which brought many changes. New administrative officials began tasks and others stepped down. As a result of higher academic standards, undergraduates found library facilities crowded and inadequate to meet the new demand. So began the push by students and administration for an open-shelf undergraduate library center, a proposal later approved by the Board of Regents. The faculty began work on stronger foreign language requirements both for the University and Texas high schools. The traditional Round-Up parade was abolished as more and more participating groups found that float-making and grade-making did not mix. Eighteen student government workshops delved into each area of the campus with critical examinations and evaluations.

The Daily Texan served as the instrument which collected particulars of these significant events and, in turn, distributed them over the campus in news stories and cartoons and editorial comment, using the Texan freedom tradition zealously guarded with responsibility to do what we felt we must toward making a University of the first class.

Frequent quotes in state dailies and the Associated Press on politics, labor, tuition, education, integration, and even the sack dress proved that The Daily Texan was considered as a statewide force.

It was a year of transition for the Texan, too. No longer was the student newspaper merely an extra-curricular activity; the student who worked on the Texan had to give up something else. A smaller but dedicated staff worked long hours under managing editors Benny Goodwin and Ben Siegal to produce a paper of the finest caliber and to give the Texan perhaps the highest Associated College Press All-American rating in Texan history.

Such has been The Daily Texan and The University of Texas for the year 1957-1958.

THE TEXAS RANGER

Hairy A. Ranger and his renegade band of humor rustlers fought their way through seven sometimes funny, often controversial, and always censored issues in 1957-1958.

As usual, a core of hardened sco-proers, class cutters, and campus libertines formed the nucleus of the staff. However, a list of characters that would rival the cast of a Cecil B. DeMille movie drifted in and out of the Ranger office with their smutty little compositions trying to persuade the editor to print them.

The 1957-1958 Ranger also managed to conquer that looming monster capitalism by making more money and selling more issues than in recent years.

Eyebrow raisers for the year were:

SEPTEMBER—A virgin made the statues on the Mall come to life.

OCTOBER—A scantily clad Girl of the Month that Playboy Magazine wanted to use as their playmate.

NOVEMBER—Plot to prematurely ignite the Aggie bonfire.

DECEMBER—Professor's Eye View giving the faculty's opinion of how the students look.

FEBRUARY—A cover that was never printed because it had scrawled across it, "THE UNIVERSITY IS GOING TO HELL."

MARCH—A Round-Up Administration float that hit uncomfortably close to some campus personalities.

APRIL—Life Magazine parody with a concise history of the Texas Revolution that made loyal Texans' blood boil.

Front Row: Kirkpatrick, Wyrick, Autrey, Rochelle, Ashby, Unknown Intruder, Stack.
Second Row: Russell, Jenkins, McLain, Barnes, Hall.

Pep Rallies

Football—Georgia—September 21

Tulane—September 28

Asiatie Flu

In tropical surroundings and gay colored saronges Carol Williams, Sharolyn Watson, and Mary Ellen Brannan entertain the rushees at a Delta Zeta rush party.

"These waves are too rough for me!" Suzanne Chandler, Mae Whitson, and Gayle Norman are having troubles at the Tri-Delt "Under the sea" rush party.

With sweet, solemn faces, Merida Watson, Ann Hamilton, and Lacy Edmondson implore their amused rushees to join the clan and sin no more. The rest of the Pi Phis join in with laughter and applause.

"The costumes, the makeup, the scenery, the props . . ." Harriet Pullen, Rosalie Mandell, Hana Freeman, and Babs Frankel bring the circus to the Sigma Delta Taus.

In top hats and canes Patsy Cozier, Eleanor Lewis, Jackie Hyman, and Barbara Rosenbloom eye this strange newcomer, Rose Falk, in a rush skit at the Delta Phi Epsilon sorority house.

"It's a sad occasion when death walks right in," cry the Gamma Phi Betas as they turn away in horror. Cleo Britain, Diane Dupree, Marjorie Menefee, Peggy Newberry, and Mary Kay Baker portray a hilarious melodrama for their rushees.

"Boop, boop bee do!" Back to the roaring 20's go Almalee Cartee, Gene Weisinger, Emory Kelley, Sharon Voyles, Johanna McFarland, and Suzanne Porter for Rush Week at the Chi Omega house.

Pastel colors and organdy skirts lend a pleasant atmosphere to the dance routine done by Carolyn Clayton, Lou Ann Lancaster, Nancy Nielsen, and Mary Estelle Griffin as they entertain their rushees on the Alpha Delta Pi lawn.

"There's no place like the Orient!" Betty Jane McCallum, Peggy Clump, Leighton Johnston, and Diana Carter express their views to an interested audience of Kappa Alpha Thetas and their rushees.

Eugenia Head carries the key to Kappa Land as she approaches the rushees at the Kappa Kappa Gamma house.

"Don't worry, the villan shall die," says our hero Pat Parker to Minifred Boyles and Wendy Bellhouse in a hilarious melodrama at the Zeta Tau Alpha House.

Roy Johnson, Everett Dickey, and Wayne Etter chat with three rushees during Tau Kappa Epsilon rush week.

Three rushees and Dan Smith, Theta Xi active, seem to be interested in something on the other side of the room.

At the conclusion of rush week the new Kappa Alpha pledge class poses for a family portrait with their housemother, Mrs. Ira Hayes.

Delta Chi rush finds Vernon Shelton, rushee, Herman Kennedy, active, Ted Gallagher, rushee, and Clarence Stevenson, active, taking life easy.

An unknown Chi Phi rushee watches active Charles Everson play a game of ping pong.

Wally Rose and Bill McBride relax while Sigma Nu active, Joe Paris talks with fall rushees.

Bob Vierlock, Bill McDade, Rees Oliver meet a rushee at the Kappa Sigma rush party.

During Phi Kappa Psi rush Greg Martin, Mike Milam and Doug Chilton find time for a few laughs.

A Beta Theta Pi rush party finds Perry Carroll, Merrill Hartman and Frank Steed engrossed in a game of ping pong.

Sam Paxton, right, is engaged in some serious talk with Phi Kappa Tau rushees.

The Delta Kappa Epsilon actives, Wilson Schoellkoph, Pearson Grimes, and Barron Kidd find time for kidding.

"Good evening, welcome to the Alpha Gamma Delta house." This cordial greeting is extended by Sandra Moran, Martha Jo Henry, and Teddy Vanderwerth to their guests attending pledge line.

Heat in September causes Anne Hinton, Karen Tenney, and Carolyn Naseef to crowd around the fan at the Phi Mu house.

If smiles can melt a man's heart, Iris Selber, and Lorraine Schwartz are charming every guest at the Sigma Delta Tau house.

Enjoying the September air, Pattye Kiecke, and Betty Kilday welcome their visitors to the Alpha Delta Pi house.

Formals, roses, and soft music typify the pledge line atmosphere in the Delta Gamma living room as Virginia Mason, Marty Harrod, Lucy Rogers, and Sue Carlisle watch the proceedings.

"That's perfectly wonderful," says Kathryn Giddens to Janelle Warren, Earle Bishop, and Lillian Tampke as they get together for the Delta Zeta pledge line.

In the informal living room of the Tri-Delt house, Kay Godfrey introduces her pledge sister, Sara Alice Gilmore to an interested onlooker.

He must be awfully good looking to get such interested glances from Alpha Epsilon Phi pledges Marcia Wolens and Cissy Cohen.

Judy Leiberman and Natalie Krasnow express a warm greeting to visitor Ted Hendlemann as he goes through pledge line at the Delta Phi Epsilon house.

Betty Jane McCallum and Alice Cook compare notes after pledge line in the living room of the Theta house.

Top Row:

Martha Fletcher attends the University YMCA-YWCA Open House for new students.

Darrell Royal, head football coach and Spooks at half-time of a football game.

Jack Davis, Bobbi Davis, Kepy Keglinger, Charlie Conway, Joan Redding, Darrell Jordan at the Sigma Chi's Hard Times Party.

Robert Green, Windy Bellhouse, George Green, Mary Etta Allen at the Delta Tau Delta and Zeta Tau Alpha's Western Party.

Center:

The All UT Dance at the Union.

At the dedication of the new Sigma Delta Tau house is Ginger Spira and friends, Isabelle Gerson, Carol Shaftron and Danny Levinson.

Bottom:

Lots of fun on the Phi Gamma Delta's Riverboat party. President Logan Wilson greets new student at the reception given in their honor. Lawrence Mann, Jay Legett, Gene Anderson, Ronnie Woods and Bert Creel attend the Phi Kappa Psi's new house dedication. MICA and WICA meet for a pre-game picnic at Barton's.

Learning how to stand in line is one of the basic requirements of The University of Texas. These tired but determined students are waiting to be admitted to Gregory Gym for registration.

These lovely coeds are announcing the sale of one of the more delightful literary works on campus—*The Texas Ranger*.

"Hook 'em horns!" Shouts and cheers from the many students just returned from summer vacations greet the Longhorn Band as it marches through the crowd.

With its annual all university open house, Texas extends a hearty welcome to the students and the faculty.

Looking at registration from inside Gregory Gym, the student is greeted by rows and rows of long tables designed for the student's benefit in working out his schedule.

"On to Georgia and home victorious!" The Longhorn football team leaves for its first game.

"I'm sorry, you'll have to wait your turn." The APOs are quite professional with this line as they try to make registration a more orderly affair.

At the first meeting of the Student Assembly, vice-president, Hal Hudspeth takes the floor while Secretary Nancy Goosby and President Harley Clark give him their attention.

Halloween

"All roads lead to Rome," but tonight they led to the Theta Chi House where Terry Houghton, Ken Solcher, and Sylvia Cooksey are celebrating Roman style.

"Ma'am I'll save you!" Johnny Parker lends a helping hand to Mary Caroline Richardson while swimming at the Deck Club.

Marshall "Robinhood" Benjamin has arrived and Marsha Wolens finds herself as his target at the Sigma Alpha Mu costume party.

Supper in the back yard is a tempting thought to Dona Hamburger, Jack Butler, Deanna Querner, and Bert McNelley.

"Come on Mrs. Taylor. Don't try to hide." Luther Miller, Starlett Smith, Carol McCullough, and Lucy Collins get together for a hilarious evening at the Tejas Club.

There's a picnic in the air and Dave Millican, Gloria Hoffman, Jinx Williams, Charlotte Fulmer, Martha Bowser, and Charles Harris have taken to the hills.

"Go Texas! Go! Go! Go!" Let's give the Longhorns our support.

It's more fun after the game and Sonny Cutbirth, Carl Lee, Dorothy Winston, Tom McDade, Dorothy McDade, and Ross McDade are having their share of it at the Kappa Sigma party.

Dark glasses and sloppy clothes typify the theme of the Alpha Gamma Delta closed house. Judy Lovejoy, Bitsy Thomson, and Louise La Bauve have arrived incognito.

Ken Dunlap, Carolyn Calvert, Sue Becker, and Shannon Ratliff gather around the punch bowl to discuss the purposes and aims of the freshman class.

Laughing and joking Janet Guthrie, George Creedle, Lynn Lyles, Jon Anderson, and Jill Granger thoroughly enjoy themselves at the Pi Phi-Delta function.

"I don't know what to play next," gasps Nancy Shoemaker while spectators Ann Bahan, Mike Roche, Joe Dacy, and Bob Bartlett laugh at her predicament.

"Push, Hana, push!" The Phi Psi's laugh at Hana Freeman as she tries to fill her cup at the Phi Psi-Sigma Delta Tau party.

Strictly casual describes Dollene Bland, Bob Lindsey, Betty Allgood, Wayne Bell, and Sandra Casey as they relax in the living room of the Sigma Phi Epsilon house.

"Ship ahoy." Sammy Glassman, Barbara Barshop, Myra Efron, and Sherman Ross look like they have been at sea for quite a spell at the Phi Sigma Delta shipwreck party.

A toast to Josie Guerra from her four admirers.

"Hey, you're choking me!" John Sargent pleads for mercy from his three overly enthusiastic friends Charlyn Jancik, Sally Rutherford, and Bill January at a Sigma Nu informal party.

Cheerleaders Dick Gannett, Avis Tieber, and Fred Gerson give an encouraging smile to the Longhorn fans.

Center: Before going to the Rice game, George Payne, Anne Houston, Gayle Jackson listen to the Kappa Alpha Combo.

John Terrell, Scott Forney, Barbara Massey and Carole Majure at the Delta Gamma-Sigma Chi party.

Four pledges, Betty Abbrook, Bonnie Van Griethusen, Susannah Dye, Carol Keeton at the Chi Omega Pledge-Active football game.

Left: Carmen DiNino, Jill McMurry and Avis Tieber at the OU Game.

A coffee break at Home Drug.

Hal Hudspeth conducts a Student Assembly meeting while Nancy Goosby and Harley Clark look on.

Newman Club had their hayride and Bettye Krenk, Buddy De Walt, Patsy Jo Schunacher, Herb Cunningham, Ann DeSalm, Jamie A. Espasas look like they are really enjoying their food.

Right: The dependable Alpha Phi Omega's man the voting stations for the Fall Elections.

Ace Pickens riding in the election parade.

Linda Richardson and Charlene Markle entertaining two international students at the UN Day celebration given in their honor. It was sponsored by the Spooks and the Austin League of Women Voters.

AIEE-IRE holds a social event.

On the social calendar of the Catholic Fraternal Organization was a costume party in which the members dressed like children. Carolyn Powers, Charles Peters, Sondra Johnson and John McBride all join in the fun.

The cowboy hats of Wayne Stigall, Pat Bobo and Louis Trapoliua are over-whelmed by the sombrero of Patsy Felt at an Alpha Chi Omega-Phi Kappa Sigma party.

Sally Travis and Susan Turner, new "Spooklets," just can't get that peanut to rolling during Spook initiation.

Betsy Ross and Nancy Hunt are preoccupied as Nancy Goosby tries in vain to get everyone's attention at the Orange Jacket initiation banquet.

While Mayilyn Dashiell, Bill Rivers, Clifford Morris, and Marian Robertson pose for a picture at a Kappa Alpha-Chi Omega Party, Janice Knippa invades in her most grisley manner.

The University Wesley Foundation goes western at a square dance party. Promenade your partner!

Kathy Fagan, Bill Rider, Jim Smith and Ann Rose are all smiles at an Alpha Phi-Law Bachelors Party. Girls, didn't you know you could get into trouble bribing lawyers?

W.I.C.A. gets Becky Klindworth all turned around at their fall Backwards Party.

Mothers are honored too at the Littlefield Dormitory Dad's Day Coffee as Linda Richardson and Pat Griffin pin a corsage on Mrs. B. F. Richardson.

Center Row—left to right During Thanksgiving dinner for the foreign students at U.T. Orange Jacket, Lucy Collins, chats with a student from Malaya.

Rene Rameriz and Garland Kennon are given tickets for a dance honoring the 1958 football team by Laurabeth Grienecks and Diane Durrett.

Bats and vampires engulf the KA house as Jimmy Ballard, Sandra Moen, George Ginn, and Susan Searles get into the Halloween atmosphere.

Dorman Wheeler, Carol Wyck-off and Donna Good sip seven-ups in the good old T-sip fashion at an Oak Grove homecoming party.

"Ole" says pretty matador, Fran Terrell, as she dances around the bull, Terry Wood, at an Alpha Tau Omega Mexican party.

"Sippin rum and coca cola!" Brian O'Gonner, Betty Pringle, Don Griffith and Janet Walker agree that nothing could be finer.

Mike Gibleman, Sheldon Oster, and Barbara Lachtin take time out for a game of cards at a Sigma Alpha Mu party.

"Let's go south of the border," say the Deltas and Gary Jones, Phyllis Borden, Jean Burkhalter, and Bill Dobbs are in the swing of it.

Lusty pirates Dan Smith, Laura Heath, Barbara Fuller, and Ray Smith are hunting for treasure at the Theta Xi costume party.

Barbara Firestone, Delia Dudson, Carolyn Graves, and Lynn Weisinger discuss campus tidbits at the Sigma Alpha Iota reception.

"It's Texas sized and Texas styled," say Bill McBride and Margie Foster as they enjoy the Sigma Nu costume party.

Quad dorm girls are up to their ears in decorations for their annual formal dance.

Just back from the islands, Betty Ticken, Paul McBroom, and Martha McBroom come out Hawaiian style.

Top Row:

Pretty Co-Eds attend the Aggie Bonfire.

In a cold frigid rain the Short-horns beat the Aggie Fish, 19-13.

Longhorn followers arrive by bus for one of the Aggie game pep rallies.

Center:

Cowboys lead the Stump Speaking parade which met in front of Carothers Dormitory and on to the Union Main Ballroom.

Bottom:

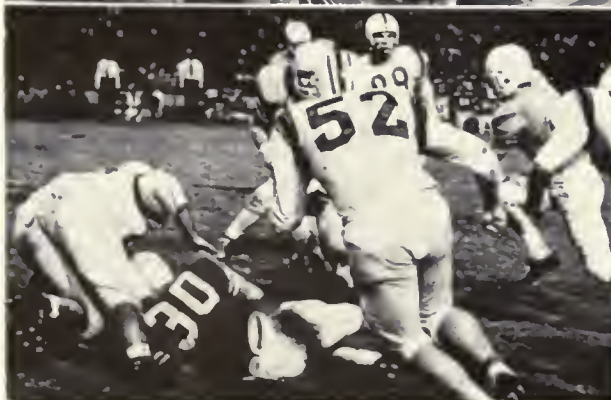

Stands getting filled for the traditional O. U. Game.

Walter Fondren, man under for the Horns is converged upon by a host of South Carolina tacklers during Texas' march towards a third score.

Libby Mullenix and Shirley Snipes, featured twirlers with the Band.

Big Bertha at the Aggie Pep Rally.

The Pi Kappa Alpha's won the Aggie Sign contest, posing with the winning sign is Richard Musick.

Ten Most Beautiful

Christmas

Joan Adams, Lillian Weber, Tommy Roberts, and George Hager enjoy a Phi Sigma Kappa victory party after the Tulane-Texas football game.

Girls, girls, girls—wonder if those judges ever picked a queen?

Sleepy beauties Nancy Guyton, Patsy Guyton, and Mary Ann Shaw pause a moment to enjoy a SRD pajama party before retiring for the night.

Participants relax in the courtroom before a mock trial.

"Mirror on the wall, whose the fairest of them all?" Texas beauties represent the university in the Sugar Bowl at New Orleans on New Year's Day.

Every year the Phi Sigma Deltas present the Alpha Epsilon Phi sorority with a pig.

"Practice makes perfect." Song leader Colleen O'Connor leads Chi Omegas Patsy Fincher, Mary Ann Bass, Sandra Simmons, Carol Vanderwoude, and Sharon Johnson in one of many Sing Song rehearsals.

"An apple a day keeps the doctor away, but will an apple a day give you an A?" Anyway Jean Pepper is going to try it as she offers Dr. Faborn Etier her prize.

Frieda Weisblatt, Mitchell Smith, Maria Medina, and Mary Alice Guarin are thrilled over being chosen to go to the World Fair in Brussels as interpreters.

"We won! We won!" Johnanna McFarland, Gene Weisinger, and Colleen O'Conner clutch the first place Sing Song trophy that was awarded to Chi Omega.

Joseph Kadri is showing Sunny Pullum an item from the international exhibits shown during International Week.

Addie Ruth Thomas, Norman Faist, Sharon Brown, and Mike Dennis have found an interesting topic to discuss at the Theleme Co-op's House Party.

Orange Jackets Martha Hughes and Phyllis Borden entertain two Egyptian foreign students at a reception given by the Orange Jackets and Cowboys.

Suzy Marris listens to Joe Kadri at the reception given by the Arab Association for the Thetas.

These fellows have become "attached." (Longhorn Band Recording Tape.)

Heading for the races, university students put the finishing touches on their sports car.

Harriet Sanford gives the old timers a thrill in the curtain club production of *Paint Your Wagon*.

Christmas trees, candles, and lovely carols are just what Santa ordered say these sparkling coeds.

Larry Burton plays "Tarzan" at the Sigma Alpha Epsilon Christmas party.

"I can't believe it!" exclaims pharmacy sweetheart Leona Powell to Joe Guerrero at the winter formal.

Just a glance at Texas' stock in *Males, The Ugly Man* Contest.

Bettina Pietrantonio serves her guest at an Alpha Gamma Delta tea honoring their house-mother, Mrs. Patton.

"No guy ever had it so good!" Bill Ingram is convinced that the health center has its advantages as he listens to a serenade from the Orange Jackets.

Milicent Bleakney finds herself with two little ladies and a small Indian at the Zeta Christmas party.

"Congrats, Ellen!" Ellen Belcher has a right to look happy. Her new title is that of Aqua Carnival Queen.

"Gee, Santa is it really for me?" Santa Clause Jim Clegg and Mike Herndon bring Christmas cheer to the little retarded children at a party given by Theta Xi and Gamma Phis.

Mrs. Lola B. Dawkins, Aida Brito, Reuben Barr, and Jose Brito enjoy the International banquet given by the University Baptist Church.

The joy expressed by these little boys is proof enough of the good feelings being spread by the Spooks and Cowboys.

Sandra Simmons and George Matzke are completing their contribution to "Toys for Tots."

Trying their luck in the kitchen are Ed Burke, Carol Atkinson, Joe Burke, and Joyce Wiggins. These "cooks" are enjoying the Christmas party given by the Men's and Women's Independent Campus Associations.

Enthusiastic carolers raise their voices in the spirit of Christmas.

"Looks good, Maline." The Pi Phis are hanging Frosty on their front door.

Zeta Tau Alphas Marjie Gibbs, Sue Heidelberg, Laura McCormick, Jane Crauer, Sally McClure, Mary Etta Allen and friend take time out from flower making for their Round-Up float to pose for this picture.

Theta pledges get messed up at their annual pre-initiation kite flying.

Bill Walker plans the Round-Up revue amid phone calls. Center:
Fred Kline looks pleased over his pretty friends, Sabra Landy and Lorraine Schwartz, at the Sigma Alpha Mu pre-formal party.

A student fills her grocery needs at Slaughter's food store.

Jacques Istel gives University Sky Divers Club members a parachute demonstration.

Third Row:
Marvin Lerner, Rod Bobbitt, and Arnold Greenspan, hooded and masked on their way to the Alpha Epsilon Delta, honorary pre-medical fraternity, initiation.

Those women in black try to convince a student that beards are evil as he contemplates signing up for the Beard Growing Contest.

Mrs. Thelma Madden, Mrs. Juanita Green, and Mrs. Jo Ann Thorpe enjoy themselves at the Married Students Style Show.

Bottom:
Bill Walker reads while Round-Up parade co-chairmen Joyce Henderson and Jerry Nathan chat with Dean Jack Holland during a Round-Up committee meeting.

Dean L. D. Haskew crowns Mrs. Leon Kennedy "Mrs. University of Texas" at a dance climaxing Married Students Week.

Bill Brown and Professor Olin Hinkle discuss flash units at the University Co-op's Camera department.

Top Row:

Gielu Setlani, Shannon Howard, and Ranjet Sitlani—the boys “adopted” her.

In his Sunday best, this little boy was among the many entrants in the Texas Union Married Students Council Baby Contest.

“Mrs. University of Texas,” Mrs. Leon Kennedy, is presented.

Center:

Michael Cope and Cynthia Barksdale discuss their newly acquired trophies. They were the winners in the Union Married Students Baby Contest.

This student makes a deposit at the Mutual Savings Institution.

A UT student talks over her dry cleaning problems with a representative of the Home Steam Laundry.

Arleen Trowbridge being interviewed by the Bluebonnet Belle Committee, enjoys a laugh with them.

Just walking in the rain, a student crosses campus during one of the many downpours.

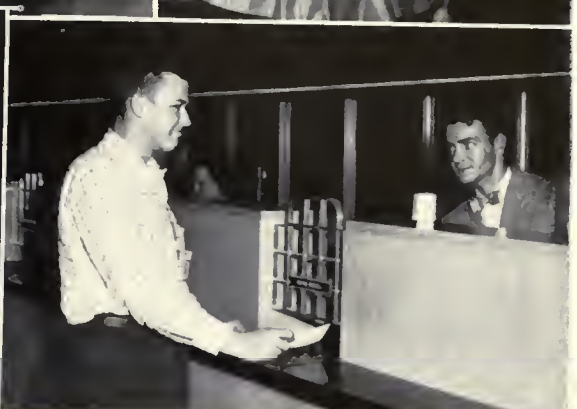

Bottom:

John Barnhill talks to the Central Round-Up Committee while a member confers with Dr. Joe Frantz.

Dolores Dunning and Norman Wood enjoy the Christian Science Monitor Youth Forum Valentine Dance.

Thomas Roosth leans over Marlene Adels’ shoulder while Barbara Schulz looks at the cards during a Sigma Delta Tau dessert party.

Helen Claunts and Mario Messina enjoy the Newman Club’s Valentine’s Day Party.

Top Row:

Spring Rush Week finds Lennie Friedman, Elaine Kaplan, Cookie Glick, and Susan Miller entertaining rushees with a skit at the Sigma Delta Tau sorority house.

The Alpha Phi's entertain their guests at a chapter dinner.

"Into the fountain." Jinx Williams and Hanna Renfro at the Delta Delta Delta pledge party for other sorority pledges.

Another Valentine's day party. This time Bob Johnson and Cornelia Brown, standing, and Sharron Smith, Pat Adams, and Charlie Pesek enjoy Powell House's House Party.

Center:

Clearing and working on the grounds for the Charros Rodeo Stadium required big machinery.

A warm day in February found some UT students at Barton's Springs getting an early tan.

Bottom:

Sylvia Funk and Bill McGowen clown at the Zeta Tau Alpha formal.

Bob Walker, Margarite Bright, Joe Peck, Judy Jacobs, Mary Gay Maxwell and Graham McCollough pose for a picture at a Sigma Chi party.

Bottom:

"Look! It's flying." Mary Morris and Cay Womack get a kite in the air at the Thetas kite flying for pledges.

Buddy McGraw, Dan Smith, Laura Heath, and Sue Risinger have fun at the Alpha Gamma Delta Valentine Sock Hop.

Top Row:

Judy Pennington, Frana Mosley, Eugenia Mahone, Kay Bland, Ann Jurecka, and Sandra Esquivel working on the Kappa Alpha Theta Float.

Bebe Moody, Jo Howell at the Pi Beta Phi Valentine Party.

Dick Fisher, Em Keasler, Tom Sharp, Casey Colwick at the Beta Theta Pi Party.

Sharon Mitchell holds the after-shave lotion as one of the Beard Growing contestants shaves off his beard.

Bottom:

Mary Ann Shaw parades in front of the Union in protest of the Beard Growing contest.

"Who me" says Sandy Heiligman at a Scottish Rite Pajama Party.

Connie Weston, Dick Calhoun, Diana Crow at the New Orleans.

Sue Ellen Young, Jim Spalding, Carol Vanderwoude and Ed Botefuhr at an Alpha Tau Omega Casual Party.

Center:

University activities portrayed in story form for television.

Drama majors relax in the Union Patio.

Top Row: Snowball fights were enjoyed by all.
Second Row: Ann Kilpatrick, Ed McCollough, Bob Steward, Lloyd Maxwell and Peggy Moore at a Sigma Alpha Epsilon Pledge Party. Gary Munger Don Whitley, Raymond Gilbert, Everett Dickey, Richard Rankin and George Weber at a Tau Kappa Epsilon Stag Party. Students making their purchases at Renfro's Drug Store.
Third Row: David E. Vassberg, Dixie Heins, Ellen Buel and John Muth at the Theta Chi's "Sneaky Pierre" Party. the Theta Chi's "Sneaky Pierre" Party. Jack Harvey, Joe Estill and Al Birdwell at the Phi Kappa Sigma Initiation Banquet. Jack Rutledge poses with students who were in the millionth picture taken for Jack's Party Pictures.
Bottom Row: Liza Jane Payne, Searcy Ferguson, Andy Anderson, Marvin Brown, Gene Weisinger and Emory Kelley at the Chi Omega and Delta Kappa Epsilon Picnic at City Park. Standing in front of Jerry Kelly is Patty Voelkel, Richard Schulte, Patsy Guyton, Barbara Hibbert and Wally Ross at the Sigma Nu-Alpha Chi Omega closed house. A University student picks out a pretty summer bag at Scarbrough's.

CHRISTIAN SCIENCE ORGANIZATION

The purpose of the Christian Science Organization is to promote the teachings and practice of Christian Science throughout the University community. The students of this organization seek the unfoldment of fellowship as taught by Christ Jesus, in which they are able to make this faith a living faith through study, application, and demonstration of their understanding of God.

MILITARY

COLONEL CURTIS THEODORE RICKETTS
Professor of Military Science and Tactics

DEPARTMENT OF MILITARY SCIENCE

The Department of Military Science and Tactics was established at The University of Texas in July of 1947, and since that time has trained and commissioned over 1,000 officers for the U. S. Army. The Army R. O. T. C. was established to produce college trained officers for the Regular Army and the Army Reserve. Its mission is to have ready in times of national emergency a Corps of leaders for our Armies.

Two slogans of the R. O. T. C. aptly describe its mission. They are "Better prepared to better serve," and "Learn today—Lead tomorrow." No one ever wants to go to war, and it is the history of this nation that its wars have been forced upon it. However, no matter how great is his aversion to war, the wise and prudent man knows that war may come and prepares for it. This he can do in the Army R. O. T. C.

John Milton, recognizing the need for educated men in the military service, in 1644 wrote, "a complete and generous education, fits a man to perform justly and skillfully all the offices, both private and public, of peace and war."

Lieutenant Colonel Marvin L. Bell
 Lieutenant Colonel George H. Corn

Major Charles F. Langley

Captain Charles Gunter Olentine
 Captain Norman Grant Tempio
 Captain Harold Ivan Pitchford

Major Donald A. Fox
 Captain Harvey Edward Emig
 First Lieutenant Samuel J. Garrett

CONFEDERATE DRILL SQUAD

Front Row: John Edward Swindells, Herschel Lee French, Terrence Gaynor Kendall, Ben Alvis Stafford, Roy Brien Varnado, Javier Lopez Celaya.

Second Row: Hector Homero Cardenas, Robert Taylor Newsom, Kyle Winston Sherrill, Phillip Edward Donaho, Leslie Noel Windham.

DEPARTMENT OF NAVAL SCIENCE

CAPTAIN DONALD GREER IRVINE
Professor of Naval Science

The University of Texas is one of the fifty-two Universities in the United States having a naval R.O.T.C. Unit. In September, 1940, the Navy first appeared on the campus. The demand for officers during World War II made necessary an expanded program to include the Flight Preparatory School and a Navy V-12 Unit. Thousands of students have received their commissions as Ensigns in the Navy or Naval Reserve and as Second Lieutenants in the Marine Corps or the Marine Reserve.

The Navy V-12 Unit was decommissioned in June of 1946 and the Holloway Plan was adopted. The enrollment in the Texas Unit usually averages about 340 students. Many of the students receive valuable training through the summer cruises which enables them to apply their textbook knowledge to seamanship. Ports in Europe, Canada and the Caribbean are visited.

STAFF

Front Row: Lieutenant Commander Kenneth James Simpson, Commander Ben Hill Stough, Jr., Captain Donald Greer Irvine, Major William E. Antley, Jr., Lieutenant Jack K. Lanley.
Second Row: Mrs. Marjorie Anne Bode, Lieutenant Commander Orvill L. Pilgrim, Lieutenant Commander James Graff Evans, Lieutenant (j.g) John Carroll Smith.
Third Row: Master Sergeant Walter A. Buttrick, Yeoman First Class Joseph Wright Reine, Mrs. Muriel H. Plasky.

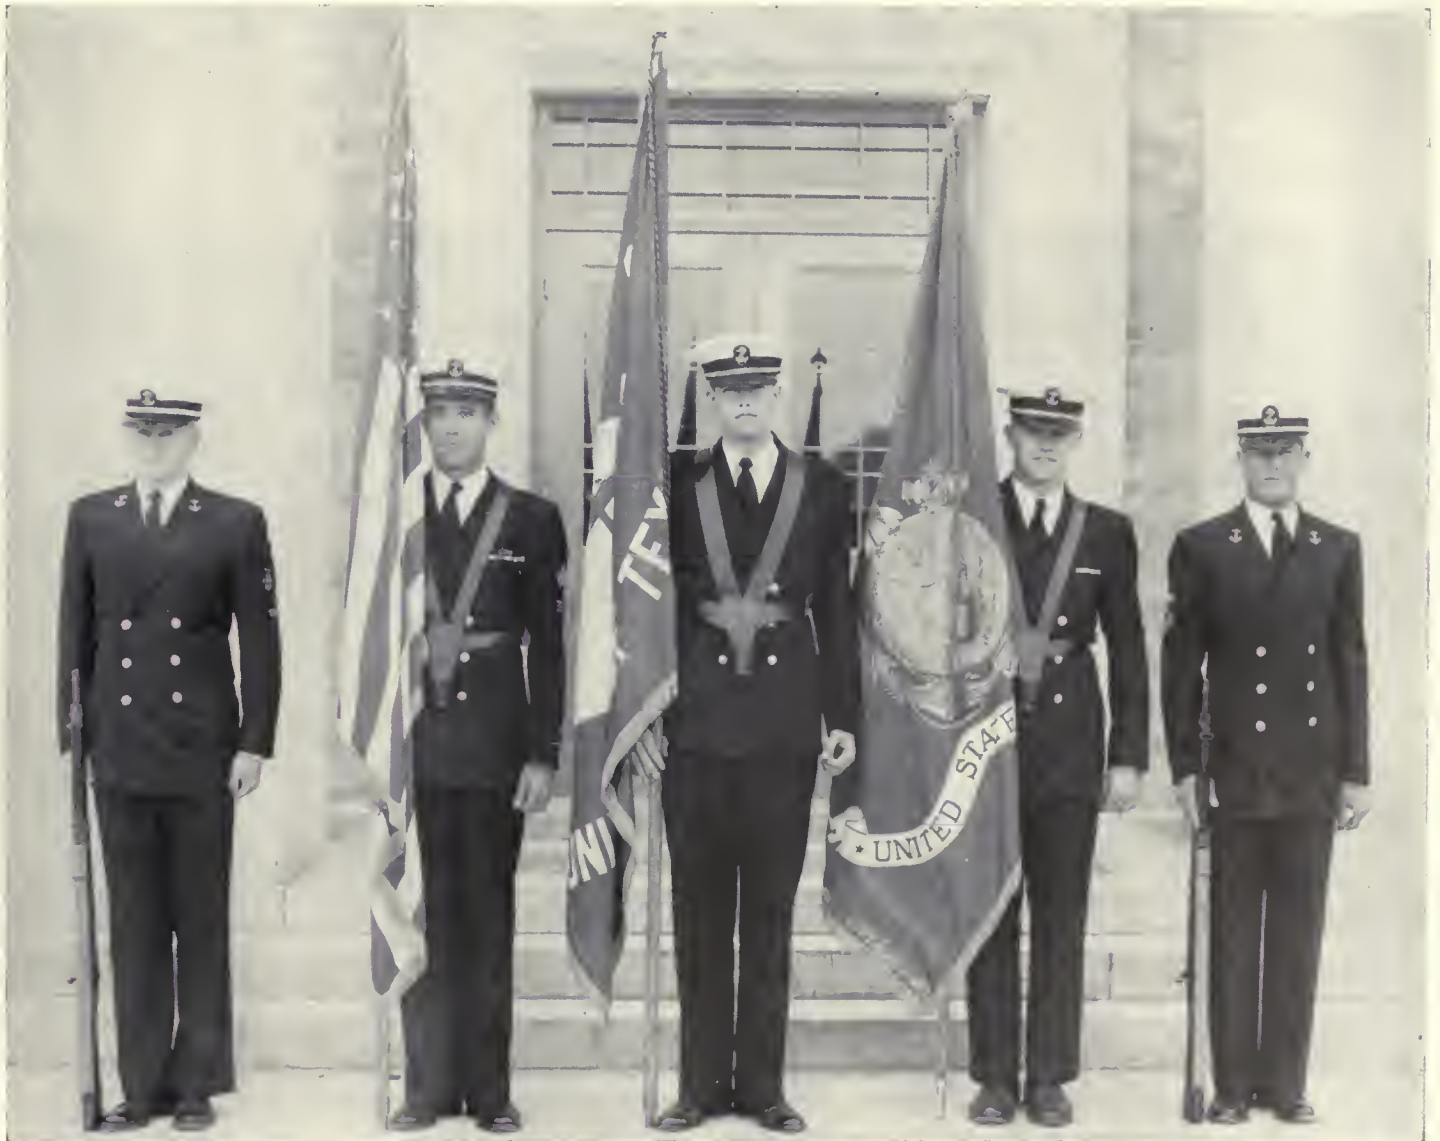

SPONSORS

DEPARTMENT OF AIR SCIENCE

COLONEL DAVID H. THOMAS
Professor of Air Science, FALL

COLONEL WILLIAM HIGHTOWER SMITH
Professor of Air Science, SPRING

STAFF

Front Row: Colonel William Hightower Smith, Major Richard Howard Kraemer, Captain Donald E. Spears, Captain Harold L. Harris, Master Sergeant Erwin W. Freudenberg.
Second Row: Captain Rossi L. Selvaggi, Captain Patricia Whitmore, Staff Sergeant Joseph K. Batten, Staff Sergeant Thomas W. Royal, Jr., Master Sergeant Virgil Thomas Hill, Master Sergeant William Hartman Davenport.

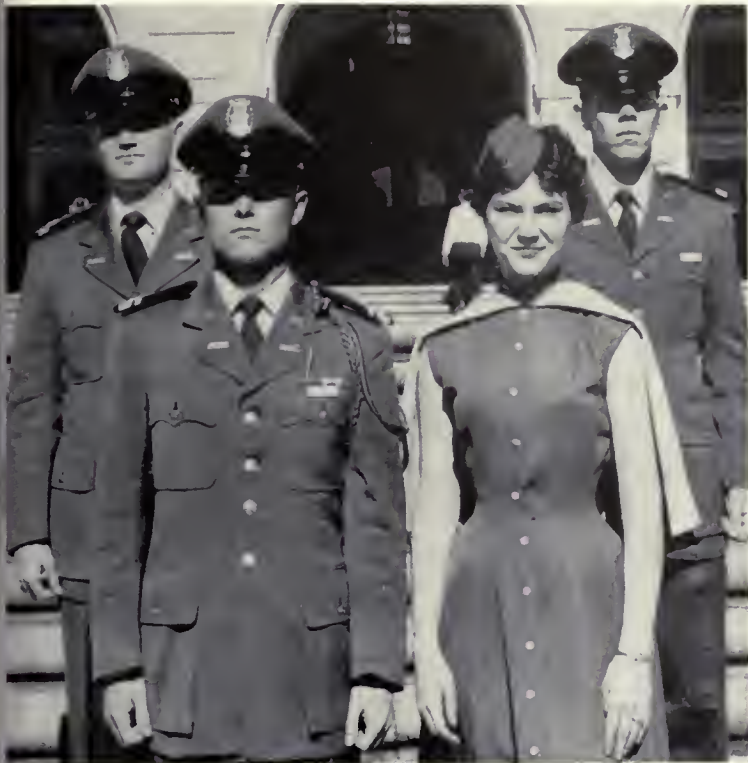

The Air Force Reserve Officers' Training Corps program was established at The University of Texas in July, 1947. This program, offered by the Department of Air Science, is designed to select and prepare university students to serve their country as Commissioned Officers in the Air Force. Air Science cadets are given orientation flights in military aircraft in addition to excellent training in leadership and Air Science. Attendance at a Summer Training Unit enables them to experience living and learning on an Air Force base. When called to active duty, AFROTC graduates become pilots, navigators, or technicians in their specialized field of study.

WING STAFF

Front Row: Dennis Joseph O'Brien, Sharon Louise Henson.
Second Row: Dennis Gordon Pace, Walter Asa Saunders, James Arthur Loynd, Robert Sterling Farmer.
Third Row: Harvey Henry Diemer, Jerry Mac Trim, Paul Duaine Hope, Richard Alan Shropshire.
Fourth Row: Donald B. Guillett, Charles Edward Botefuhr, Monte Patrick Williams.

GROUP ONE STAFF

Front Row: George Daniel Matzke, Eloise Annette Tate.
 Second Row: Robert Leyton Gunn, Bobby Louis Cummings.

GROUP TWO STAFF

Front Row: Edward Stafford Bridges, II, Cynthia Ann Lee.
 Second Row: Ramon Robert Rackley, Jacob Alton Bauerle, Bernard John Ehresmann.

FRESHMAN LEADERSHIP LABORATORY

INSTRUCTORS

Front Row: Joseph Holt Foster, Ronald Vincent Larson, Maurice John Lehmann, Charles Albert Smith, David Weldon Trekell, James Robert Niebuhr, Jay Bradford Rea, John Wheaton Clark.
 Second Row: Ted Maynard Watson, Jack Dale Polson, William Max Jennings, Carlos Robert Heina, Kenneth Lee Cochrum, Horace Dodson Carnichael, John Lowell Carrick.

FLIGHT A

Front Row: Donald Thomas Ward, Patricia Ann Parker, James Lipscomb Ballard, William Thomas Bruce, David Trippe Garza, John Burks Eastwood, Hal Segrest Hudson, Jo Anne Hamilton.
 Second Row: Phillip Robert Zeeck, William Edward Brock, Donald Ray Dacon, James Rodney Thomas, Wilber Ray Seidel, Collier Hodge Pate, Phillip Winston Handley.
 Third Row: Minor Lovis Helm, Jr., Jerry Edwin Smith, Herbert William Dodson, James John O'Grady, Jr., Anthony Joseph Wzontek, Jeremy Michael Gay, Michael Edwin Peinemann, Cadmus Kilgore Lawson, II.

FLIGHT C

Front Row: Sam Hulin Hall, Reginald Wayne Clark, Roger Karl Wilkinson, Otis Lyman Parchman, Robert Pedro Lozano, Bruce Edwin Bain.
 Second Row: James Parker Oliver, Robert Nyland Abercrombie, Marshall Sheppard Pogue, Daniel Albert Naranjo, Willie Watson Robertson, Grady Dyson Bruce, Jr.
 Third Row: Hazel Karen Kincheloe, James Donald Kniker, James Terry Gray, Arthur Kercheville McCallum, Donald Burtice Baker, Gary McCollum, John William Patton, Jolen Milton Hathaway.

FLIGHT E

Front Row: Henry David Christian, Carlene Johnson, Richard Charles Schulte, Fred Rolner Bruss, Michael Gilbert Herndon, Jerry Mills Smith, Robert Harold Smith, Clarence Wayne Harrison.
 Second Row: Robert Alan Hunt, John Curzon Cooke, Donald Charles Krause, Larry Leon Womble, Charles McDonald White, Richard Lee Beard, Ezekiel Robert Castro, Gary Floyd Olfutt.
 Third Row: Dudley Ward Roberts, John Robert Maddox, Walter Tom Henson, Barr McClellan, Harry Lee Adams, Jr., Ernest Elmo Straley, Jr., Joseph Othell Batto, Charles Lester McClellan.

FLIGHT B

Front Row: Thomas Leslie Pritchett, Ralph Douglas O'Dell, James Randall West, Larry Dale Lewis, Leo Anthony Rizzuto, Gregory Alan Carter, Louis Irvin Schneider.
Second Row: Scott William Forney, William Thomas Palmer, Dwight James Gracey, David Charles Porter, John Phelps Branch.
Third Row: Edward Russell Lindsay, James Andrew Stone, Lewis Spears Cosper, William Edward Matthews, Charles Murray Miles, Jerome Michael Kutach.

FLIGHT D

Front Row: Robert Lee Parker, Dick Sullivan Calkins, Bryon Cecil Prater, Enrique Jimenez, Lowell Rivette Smith, Jr., William Emmett Bolch, Jr., Harold Wesley Ashendorf.
Second Row: Cleve James Hoecker, Mikell Frederick Vanderlaan, Travis Aubrey Koehler, Ken Melvin Kwan, Clarence Wagner Chandler.
Third Row: John Warriwer Long, Eugene Oliver Dirr, Joe Thomas Reed, Gary Leslie Smith, Hildred Bruce Lockhart, Robert Lee Orr.

FLIGHT F

Front Row: David Evan Griffiths, Tommy Wayne Pope, Clarence Norbert Schwab, Walter Nelson Barnes, Wayne Scott Emrich, Louis Guerrero, Wenceslaus Fred Beyer.
Second Row: Bruce Warner Carpenter, Kathleen Anne MacKenna, John Alden Knapp, James Scott Long, Samuel Bruner Horton, Floyd Dennis Herndon, George Robert Stewart.
Third Row: Robert William Jorrie, Don Curtis Russell, Jerry Allen Muennink, John Cal Birdsall, Alvin Michael Bloom, Clark Stanley McCarty, William Kindred Stephenson.

FLIGHT G

Front Row: Lester Barry Palmer, Teddie Jeannine Powell, Ruthven Champion Tolbirt, John Elbert Dayton, Jr., Preston Tobis Bridgewater, Jerome Frank Kubala, Jr., Thomas Richard McGuire, Marion Don Hancock, Woodie Larman Thompson.

Second Row: John Tristani Sherwood, John Livingston Travis, David Trenton Killen, Daniel Jule Talley, Robert Fitzgerald, Shelly Lee Leffingwell, Anthony Ray Henry, Leslie Wayne Wickliffe, Malcolm Dade.

Third Row: Silas Edward Southern, John David Baylor, Thomas Gentry Jeter, Russell Alan Quantock, George William Krebel, Allen Frank Musick, Allen Dewayne Tillman, Jesse Kubela Appling, Jimmie Rae McGregor.

FLIGHT I

Front Row: Ted Lee Price, Joyce Higginbotham, Jereld Edward McQueen, Thomas Marcus Shellshear, John Harrison White, Jack Ralph Wood, Donald Louis Haberle.

Second Row: Willie Smith Bennett, David Allen Sadler, Jimmy Jack Smothermon, Anthony Bedford, Joseph Brock, Stephen Gordon Oakley.

Third Row: William Sam Cannon, Bobby Wayne Dodson, Nelson Henry Maier, Thomas Maurice Wilson, Jack Dee Nolan, James Hudson Dudley.

FLIGHT K

Front Row: Stewart Leonard Davis, Ellita Wallace, Peter Arthur Vena, Prentis Otis Hibler, Gerald Ellis Bennett, Charles Gary Rule, Donald Harris Gonzenbach.

Second Row: Eugene Franklin Broome, Roy Edgar Box, Jr., Donald Charles Goertz, Robert Dean White, Philip Morris, Ted Woodriddle, Ralph William Rodieck.

Third Row: Johnny Wesley Tackett, Landon Wayne Stewart, Carroll Wendell Lanier, Willie Manuel Wilson, David Lynn Magness, Maurice Edward Cowan, David Eugene Barnett, Michael Arlen Wash.

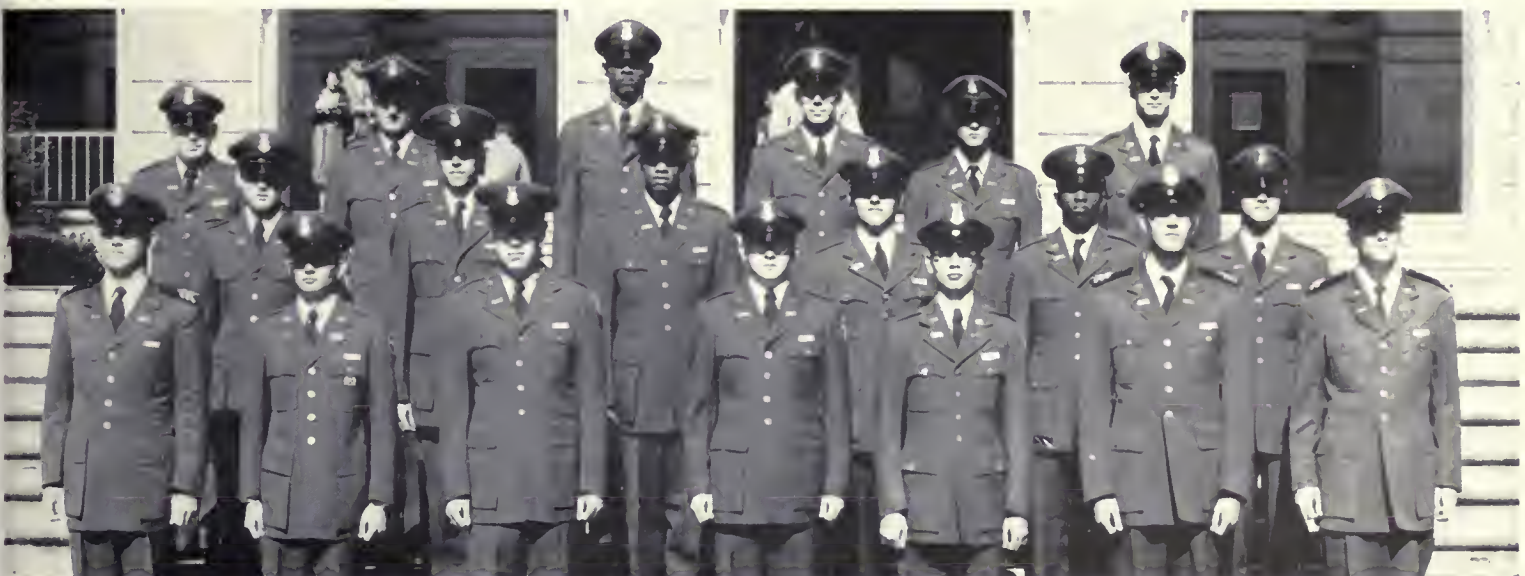

FOUR

FLIGHT H

Front Row: Terry Clay Green, Robert Clayton Falls, Don Blaine Steffa, Thomas Nolen Kaspar, George Scott Mills, Alvin Rubenstein Gerson, Joe David Crantham.
Second Row: John Daniel McCrory, Daniel Graham Galloway, Fred Dewitt Reed Jr., Thomas Kent Beyette, Barbara Ann Magel, Charles Septimus Longcope.
Third Row: William Norris Agee, Gene Owen, Stephen Allen Crant, John Marion Williams, Ronald Lee Mabra.

FIVE

FLIGHT J

Front Row: George Cardwell Jolley Jr., Ellie Barton Underwood Jr., Gerald Kent Cato, Albert Louis Fox, James Charles Moeser, Frederick Wayne Schumacher, Sydney S. Connor.
Second Row: Morris Farrell Womack, Roy Gene Traylor, James Claddin Potts, Ronnie Eblen Malouf, Will Henry Ingram, Victor Vernon Staffa.
Third Row: Ronald Williams White, Alton Wayne Whitney, Willie Paul Dunn, Jerry Cicero Callan, Ray Ernest Klempin, Stephen Clay Elliott.

SIX

FLIGHT L

Front Row: Carlos Landon Naumann, Malvin Glen Teague, Rodrigo S. Trevino, Stanley Roy Fullen, Larry Andrew Chauvin, John Craig Carrell, Richard August Strecker, Walter Brown Pistor.
Second Row: Fleming Cook Hobbs, Joe Hudson Glasson, Gary D. Aguren, Roy Lester Kwan, Robert Sherridan Hughes, David Lloyd Hairston, Humberto Adame.
Third Row: Paul Tovar Torres, Malcolm Acie Burgess, John Dickson McVea, William H. Dobbs, Ray Gilbert Boyd, Robert Eugene Donald Woolsey.

ORANGE WINGS

Front Row: George Philip Kazen, Betsy Blanton, Frederick Sydney Schlather, Robert Ples Humphreys, Willard Edward Johnson, Don Kenneth McLarty, Lorenzo Ford, Richard Douglas Cameron, Hector G. Sierra.

Second Row: Jefferson Davis Howell, Jr., Lawrence Morgan Downum, Jr., Joseph Winfield Heath, Richard George Munzinger, Robert Stanford Brasfield, Robert William Osborne, Jr., Jimmy Lee McKee, Colvis Ray Hale, Horace Dodson Carmichael, Robert Lane Chapin.

Third Row: Paul Vincent Anderson, Hudson Washington Griffin, Ransey Dale Swint, Samuel Phillip Ranger, Kent McCormack, Samuel Mathew Holland, Jr., Jack Raymond Hinson, Cecilio Gonzalez, Raymon Duncan Tillman, John Marion Monk, Larry Gene Zamponi.

Fourth Row: Raymond Dale Christian, James LaVoy Branton, Larry Gene Eastep, Robert Randolph Owen, Richard Edward Linton, Thomas Harder Henderson, Charles Ronald Rogers, Jack Morgan Millner, Jay Harvey Reynolds, Sergio Romero, David Owen Swint.

WAF R.O.T.C.

BARBARA JEAN ASHLEY

JO ANNE HAMILTON

MARSHA RAYE IVY

HAZEL KAREN KINCHELOE

BARBARA ANN MAGEL

KATHLEEN ANNE MACKENNA

NORMA BERYL VOTAW

AIR FORCE R.O.T.C.

AIR FORCE ASSOCIATION

Front Row: Dennis Gordon Pace.
Second Row: Walter Asa Saunders, Jr., Paul Duaine Hope, James Arthur Loynd, Richard Alan Shropshire.

COLOR GUARD

Jerry Lee Coffee, Hollis A. Baugh, James Thomas Ross Cockrell, Herbert Harry Wiener, Andrew F. Perez, III.

RIFLE TEAM

Front Row: Maurice John William Lehmann, *Captain.*
Back Row: Nelson Henry Maier, Jr., Walter Brown Pistor, George Robert Edwin, George Scott Mills, Master Sergeant Virgil Thomas Hill, *Coach.*

LOCAL SHOTS

Left: Outstanding Cadets, Dennis G. Pace and Joseph H. Foster, Jr., receive awards from Colonel David H. Thomas.

Center Left: Cadet Freshmen make model airplanes for contest as shown by Richard D. Cameron.

WE REMEMBER

the Gibson Girl and the celluloid collar . . . the flapper and the coon skin coat . . . the bobby soxer and the double-breasted suit . . . Since the late 1800's Scarborough's has served the University student. Today's college board wears the chemise, her escort goes "Ivy." Styles do change, but Scarborough's remains constant in its aim . . . to send you to every campus function smartly dressed.

Scarborough's salutes the University for 75 years of progress!

University students checking out at the University area KASH-KARRY store.

Three members of ADPi sorority carefully select groceries for a picnic at the KASH-KARRY STORE on the corner of 24th and San Gabriel Streets.

KASH-KARRY

Grocery and Market

Carl Swift, engineering student at the University, looks over some engineering supplies shown him by Susy Gibbins, member of the sales staff of the MILLER Blue Print Company.

MILLER BLUE PRINT COMPANY

108 E. 10th

THE GOAL IN EDUCATION

"Do not forget, then, as you walk these classic places, why you are here. You are not here merely to prepare to make a living. You are here in order to enable the world to live more amply, with greater vision, with a finer spirit of hope and achievement. You are here to enrich the world, and you impoverish yourself if you forget the errand."

—From an address at Swarthmore College by Woodrow Wilson, noted educator and one time President of the United States.

Aerial view of Hughes plant . . . world's largest and most modernly equipped rock bit manufacturing plant. Also located within the 70-acre area is the black-iron Hughes Research and Engineering Laboratory.

What Hughes offers Drilling Industry

1. Complete stock of bits . . . in required sizes and types . . . manufactured in sufficient quantities to meet the needs of the entire industry.

2. Bit recommendation service: Hughes can make available to you a recommended bit program for any area—based on the industry's greatest rock bit experience.

And you can get information which will enable you to correlate bit types with formations, with your drilling practice and hydraulic capacity of your equipment.

Also, Hughes has two copyrighted hydraulic bulletins that can aid you in getting the most out of your present equipment and in the selection of new equipment.

3. Continuous drilling research . . . carried on in the laboratory and field for nearly a half century. Facts obtained in the laboratory and

field are used in developing new and improved rock bit designs and in anticipating the problems created by changing drilling techniques.

4. Industrywide organization and system for gathering information and forecasting bit requirements for each drilling area. This assures you that no matter where you drill, Hughes bits of the right sizes and types will be available to meet your particular drilling requirements.

WHEN YOU RELY ON HUGHES YOU TAKE THE GUESSWORK OUT OF BIT SELECTION

A
good start
on a
GOOD FUTURE

*As a member of the
Class of 1958, you're off
to a good start!*

*May we congratulate you . . .
and wish you every success
in the years to come.*
